Almost every memory can be captured in the melodies of a song and sparked by a simple note of music. Throughout the high school years, extraordinary moments are defined with a special song, whether it is a dance you shared at your senior prom, your first drive after your sweet sixteen, or just hanging out with your friends on a Friday night. For the underclassmen, the soundtrack of Kennedale High School will continue. However, for the senior class of 2004, this soundtrack has ended and a new tune will soon begin to play. Regardless of what happened in the past or what the future holds, always find something to sing about. Remember....

Life's A Musical

The Way I Am

Bill Solomon

After being a football player at Sanger High School, Bill joined the military in the late 1950's, forming part of the 49th Armored Division.

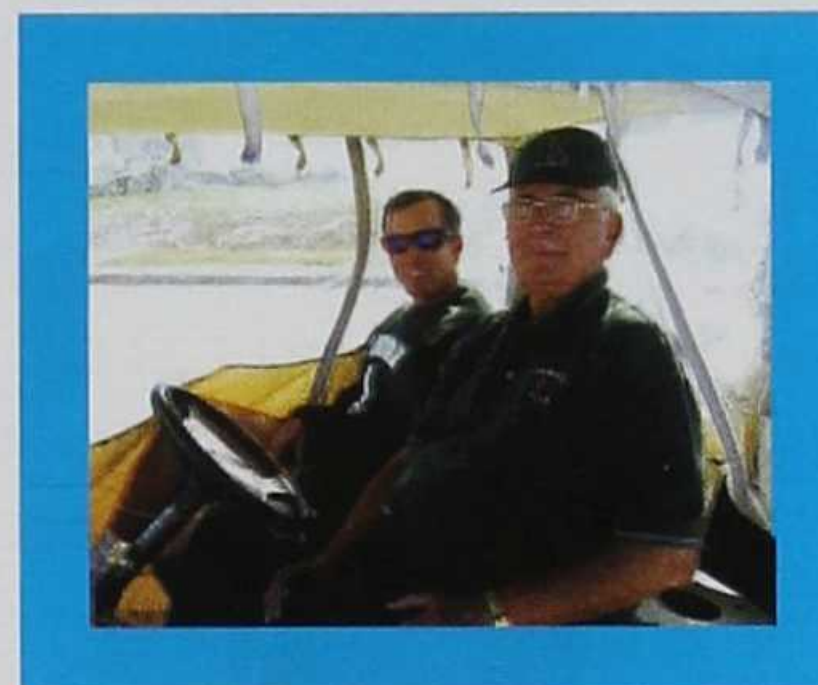

Every single person at Kennedale High School makes our school special. Everybody has a different role in our school and when we put all of them together, we create the amazing Wildcat personality that characterizes Kennedale. Bill Solomon is one of the people that keeps Kennedale High School going. He stands outside everyday bearing the unpleasant weather just to make sure that we are safe inside and outside the building.

After retiring from the U. S. department of Housing and Urban Development in 1997, he started working at Kennedale in 1998. Later, in 2001, he was diagnosed with Parkinson's disease. However, working at KHS gave a new meaning to his life, doing more for him than any medicine ever could.

Besides being happily married, Bill has a big family, including two stepchildren and six grandchildren. "He's a wonderful man and he puts his heart and soul into everything he has done in his life," says his wife of twenty years, Carole.

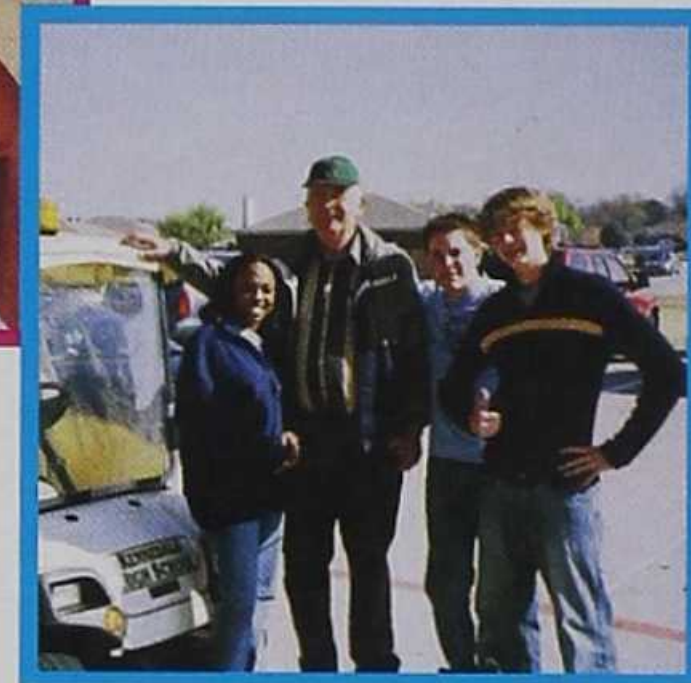

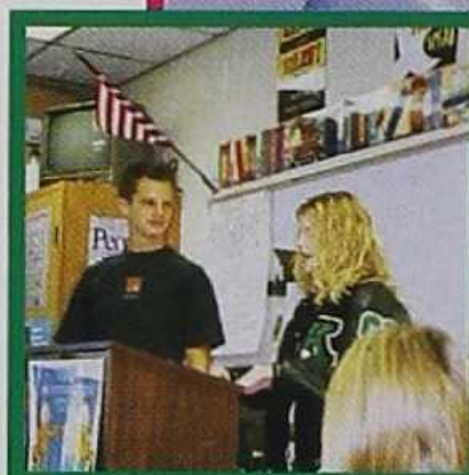

It has been five years since Bill joined the Kennedale High School staff. It is time to recognize his labors, and thank him for taking care of all the students at KHS. We are especially grateful for him greeting us with a smile every morning as we first arrive at school. We proudly dedicate the *Wildcat Track* Yearbook this year to him, letting him know that we appreciate his efforts more than we could ever show, and that he is an essential part of our high school.

Homecoming is a special event that only comes once a year. This magical night gives students a chance to dress up, have fun, and show their school spirit. All this excitement helped the boys get ready for their big game. The Junior High and JV cheerleaders helped the Varsity lead the boys on to another victory. This year Kennedale defeated the Castleberry Lions with a final score of 54-0. The students of Kennedale High School, both current and past, united once again to celebrate one of the school's most sacred traditions.

pump It Up!

It's party time! Another winning season has rolled around and the Wildcats are keeping the teams pumped up with pep-rallies. They have helped us achieve plenty of triumphs, and kept us going all the way. With the help of the student's superb school spirit leading our teams to victory, we have once again had a fantastic athletic season to be proud of. Pep-rallies are a fun-filled event before each home game with a variety of different themes including Hawaiian, Western, and Mardi Gras, and the greatly anticipated Senior Pep-Rally. We always have a great time with our outrageous themes.

Defending the Crown Select football players and fellow peers participate in winning the spirit stick for the senior class. The seniors definitely have the loudest voices in the battle cry competition.

Juuuniorrrs Juniors work hard to beat the other classes to win the battle cry and gain possession of the spirit stick. Only the most spirited class claims the stick, so the competition for it is extremely intense.

Meet the Fishies The youngest class isn't shy to show how their class sprit and cheer on the football players.

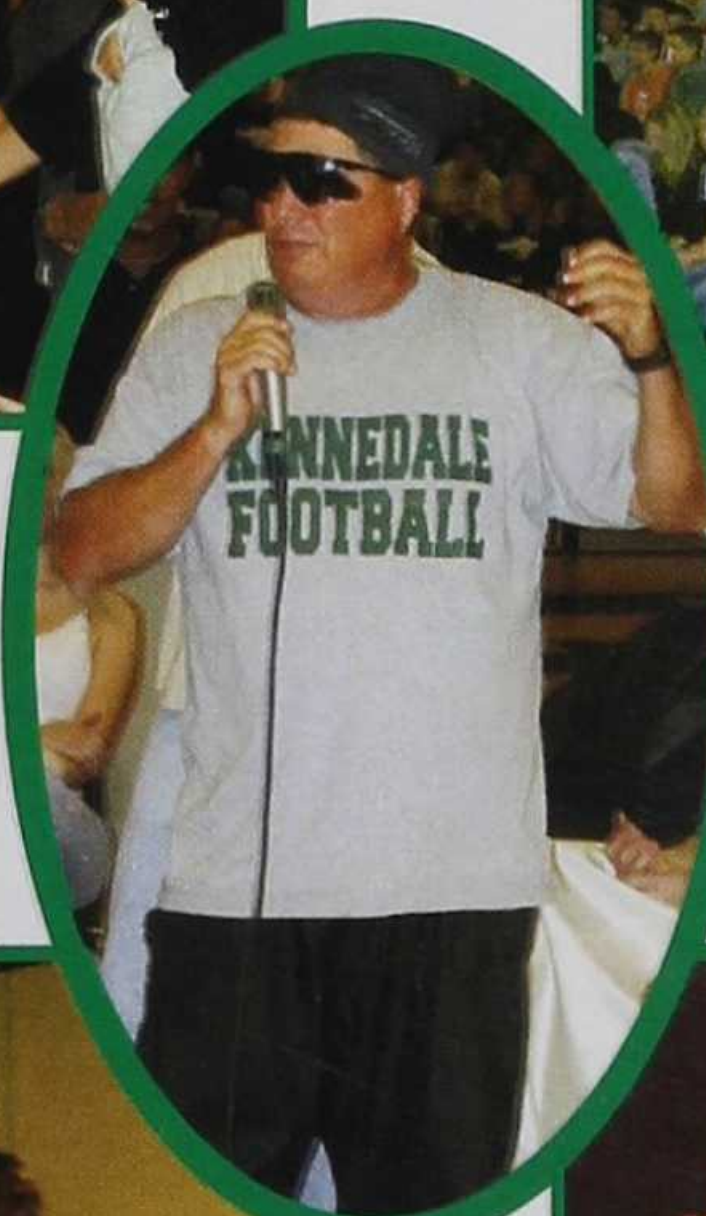

What's Next? The freshmen and sophomores file in and get ready to watch the awesome pep-rally. Wonder what surprises we get this time!

Alma Mater Kennedale! The freshmen class proudly shows their honor as newcomers to Kennedale High School. With each pep rally, their Kennedale pride grew.

Ooo Aaah Sophomores watch intently as the drill team performs one of their many great routines while conserving their energy for the battle cry. Can you believe they move like that?

Class of 2004! With their spirited signs and pom-poms, seniors work the gym to get the spirit up and the athletes ready to win!

Shout It Sergio Orozco, Brent Kegans, and Sam Ruiz holler out the battle cry determined for the seniors to win the spirit stick once again.

V-I-C-T-O-R-Y

The Senior Class of 2004 has a lot to be satisfied about. They have come a long way since their first pep-rally at Kennedale when they did not even participate in the battle cry. These seniors were the first class to make a statement at their second pep-rally. They have come out on top and made a trail along the way. The seniors' great spirit will be missed. It will be hard to compete with their loud voices, elaborate posters, and the dedication they have put into Kennedale High School. Congratulations to the Class of 2004. May you never lose your spirit and always show pride for your alma mater.

PEP RALLIES

Hungry Like The Wolf

Off-campus lunch is something the underclassmen look forward to, while the upperclassmen enjoy this privilege. It provides students a variety of choices for lunch. These options include anything from going to your favorite fast food restaurant to relaxing and enjoying free food at home. This gives upperclassmen the opportunity to spend their lunch break with their friends and a mind break outside of school.

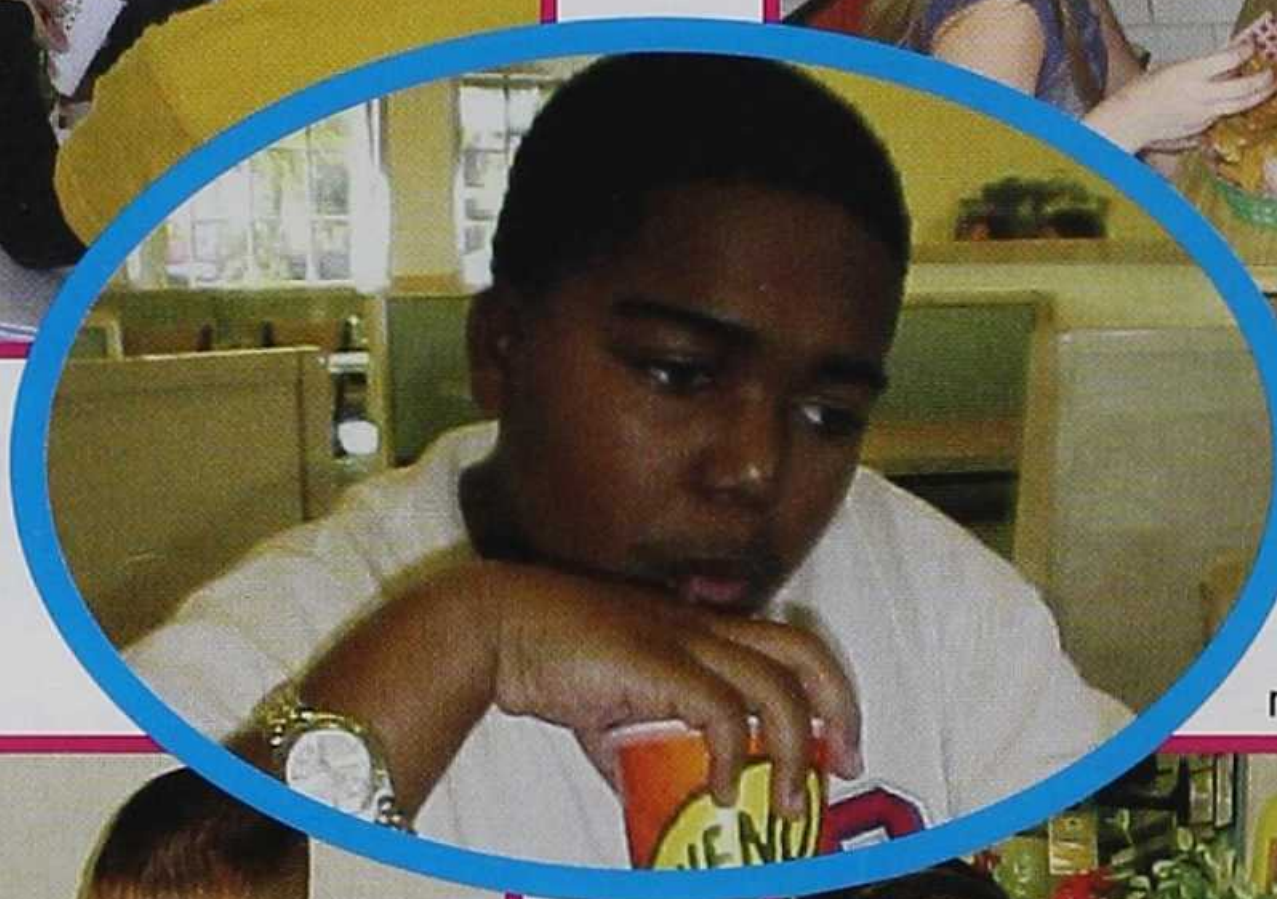

L U N C H

Are You Serious?

Ashley Nixon tells the day's news to Spencer Wade and Seth Warner.

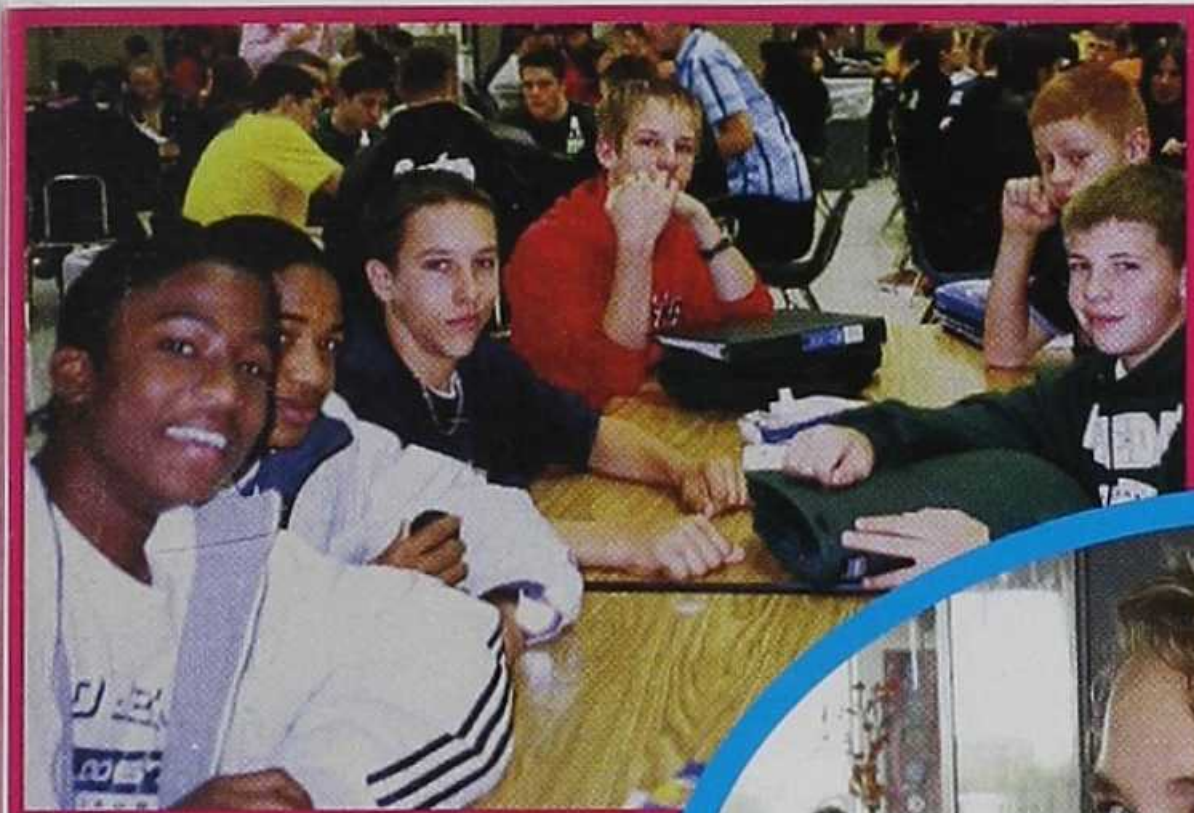

Chow-down Amanda Caughron savors her lunch as Kye Hohenberger reaches for his delicious milkshake.

Got the Munchies? Instead of eating at school, Nichole McKelvy and Justin Gervin have their lunch at Taco Bueno.

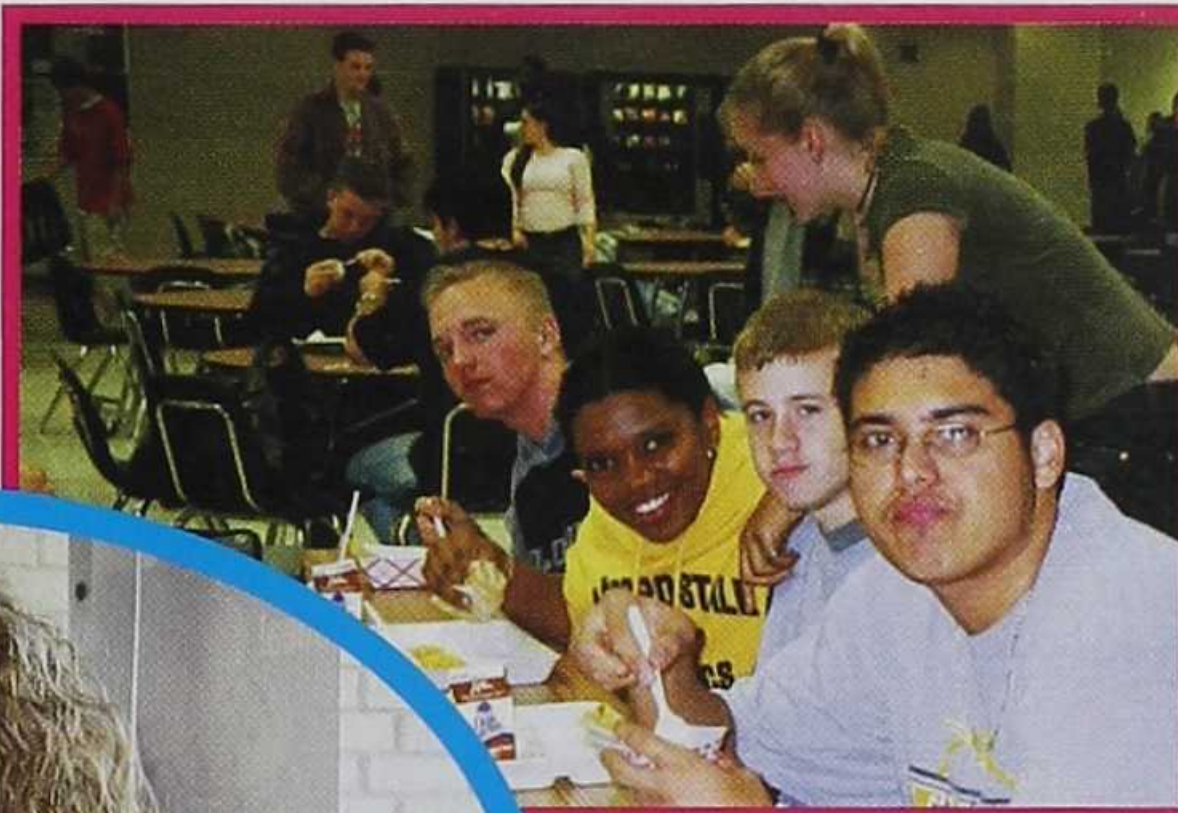

Yum Yum Yum Corey Logan, RaShawn Brooks, and Marcus Terry prepare their Taco Bell with hot sauce before eating.

Hungry, Why Wait?

Freshmen boys wait at their table for the lunch line to die down.

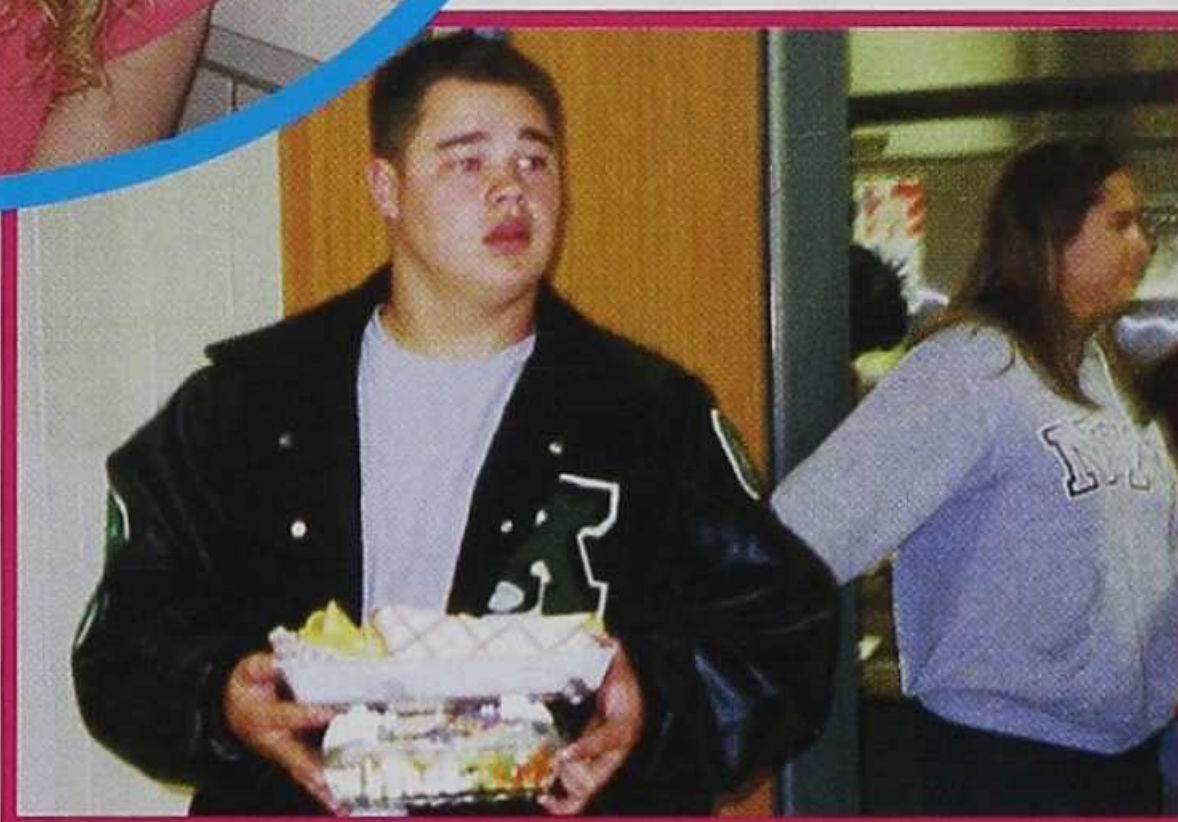

Still On-Campus?

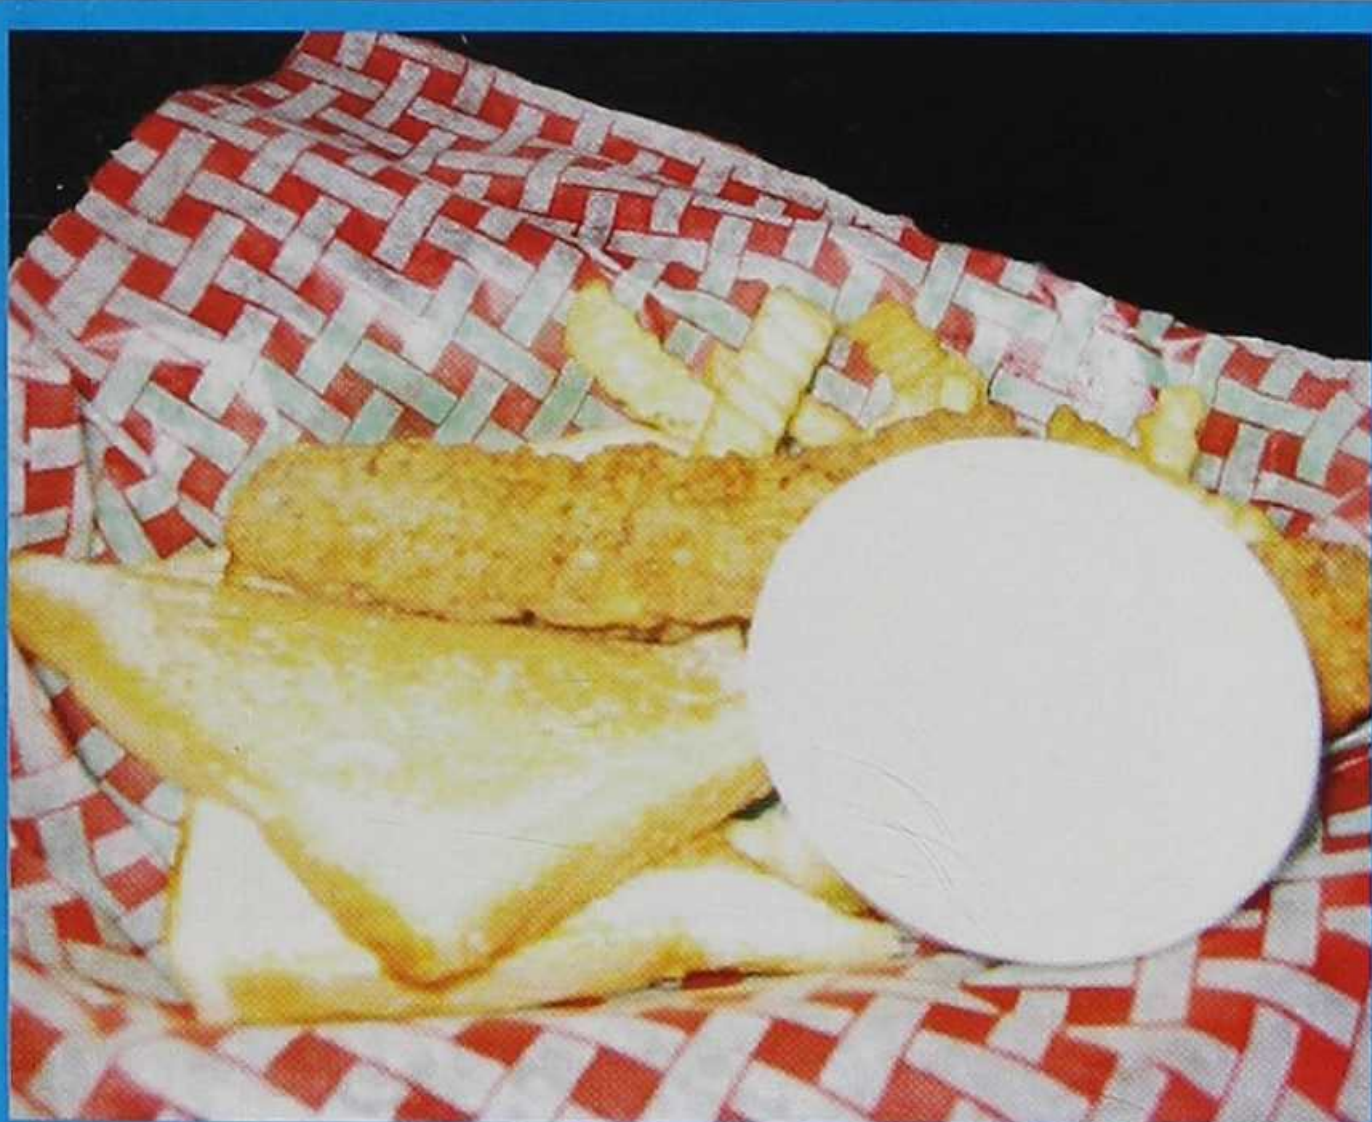

These juniors choose to eat their lunch on campus instead of going out to eat.

Did You Hear? Freshmen friends gather in the cafeteria to discuss the latest gossip on who's dating who.

Help, Anyone? Ricky Nelson tries not to drop his tray of food while finding a place to sit in the cafeteria.

What's for lunch? As the students race to their cars, a quick decision must be made about where to eat before time runs out. The choice depends not only on what sounds good to them, but also on what is close to the school since time is short. After arriving at the place they chose to eat, the students must make the most of their forty-five minute lunch by socializing with friends, stuffing their faces, and trying to make it back to school without being tardy for their next class. Now, that's what's for lunch!

They continue to entertain audiences at pep rallies and athletic events along with being a competitive team. They won top team award at NDA Camp in the summer of 2003 and competed at Fiesta Texas on April 3, 2003. The girls had a blast this year improving their dance abilities and becoming true teammates.

This year KHS held two athletic banquets to honor all the sports, one in the fall and one in the spring. The fall banquet consisted of football, volleyball, and cross country. The spring banquet included basketball, soccer, tennis, baseball, softball, powerlifting, golf, and track. Each banquet served a delicious dinner catered by Colter's BBQ. The meal was then followed by the announcement of the awards. Both special events commemorated the KHS athletes with trophies and certificates that spoke of their achievements during the year.

Saying Thanks Chase Johnson says a few words of appreciation to Coach Les Schubert for being such a great coach.

Most Valuable Player Senior Anthony Norris graciously accepts the MVP plaque for baseball given by Coach Sam Riley.

Several members received individual honors for their Solo and Ensemble pieces, and others were excepted into selective groups such as All Region and All State bands. Comedy Tonight

This fall's play, "The Skin of our Teeth", by Thornton Wilder was a hilarious comedy. Starred in by some of the Kennedale High School's best actors and actresses, the play made the audience frequently burst into fits of laughter as the characters showed spunk and attitude while dealing with outrageous situations. A congratulations is due to everyone who had a part from the director, Mr. Parker, to the actors, costume designers, and those who laughed and enjoyed this years tremendous fall play show.

The Skin Of Our Teeth

Hmmm..... Troy Evans and Cameron Newton wonder if they look good enough.

Showtime! The cast of the play puts on an awesome show at every performance.

Much Ado About Nothing

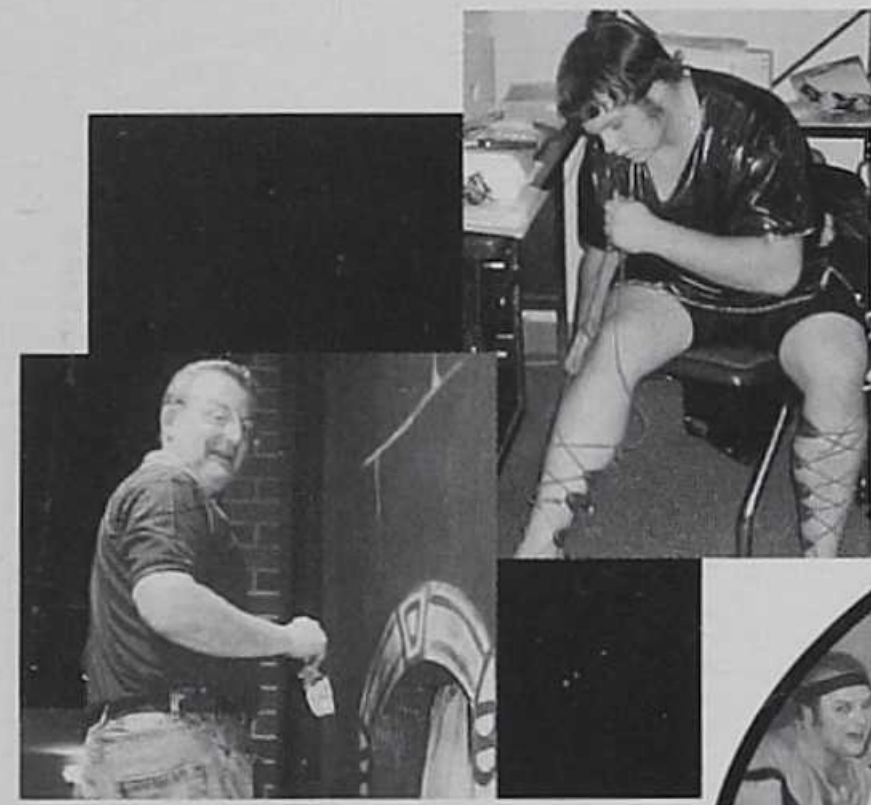

Cast and crew for this year's One-Act Play, "Much Ado About Nothing", have a lot to be proud of. Although it was a rough start, the members worked hard and pulled through it wonderfully. After competing during

spring, the cast and crew were selected as an advancing One-Act play in District 8-AAA. Several members of the cast and crew were honored with individual awards at zone and at district. Well done everyone!

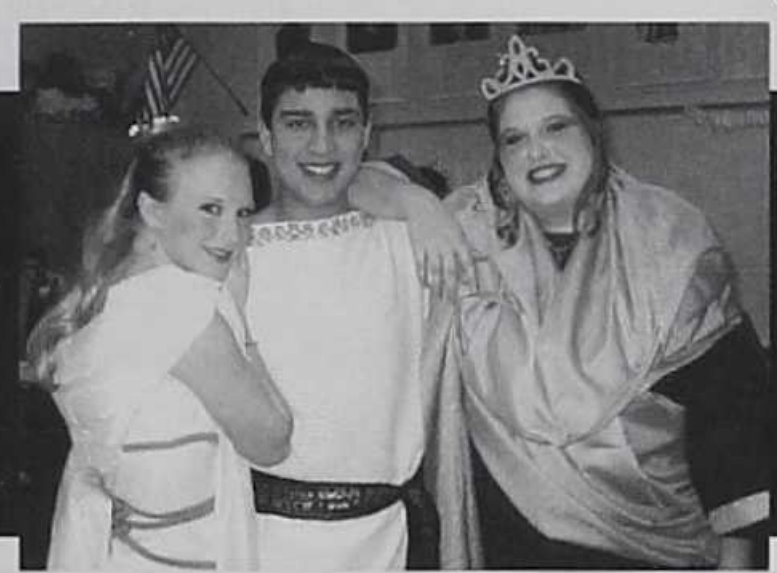

Both cast and staff were essential to make the musical a success. After finding the perfect costume, going through long makeup sessions, and giving the last touches to the scenery, everybody is ready for showtime!!!

Gotta Hurry! Just a few minutes before the play starts, Mr. Parker gives the last touches to the scenery.

Maybe it's Maybelline Hali Hinz helps Ashley Egetoe and Matt Parker get their makeup done before showtime.

A Funny Thing Happened on the way to the Forum

This year's marvelous musical was called "A Funny Thing Happened on the Way to the Forum". After a delicious Italian dinner, we laughed with the two hour comedy show. With Mr. Parker as director for the first time, the KHS cast and crew demonstrated its superb talent by showing not only acting abilities, but also an amazing voice talent, pleasing us with a very special musical night within a Roman environment. The long rehearsals lead to an incredible show full of Wildcat talent that the audience truly enjoyed.

The Texas Association for Future Educators, or TAFE, gives students the opportunity to find their career of interest in the field of education. It encourages students to learn about careers in education and assists them in exploring the teaching profession while promoting character, service, and leadership skills necessary for becoming effective educators. This year, the future teachers headed down to San Antonio for a conference where they listened to inspirational speakers and attended classes that focused on concepts such as teamwork, communication, and how to teach through music.

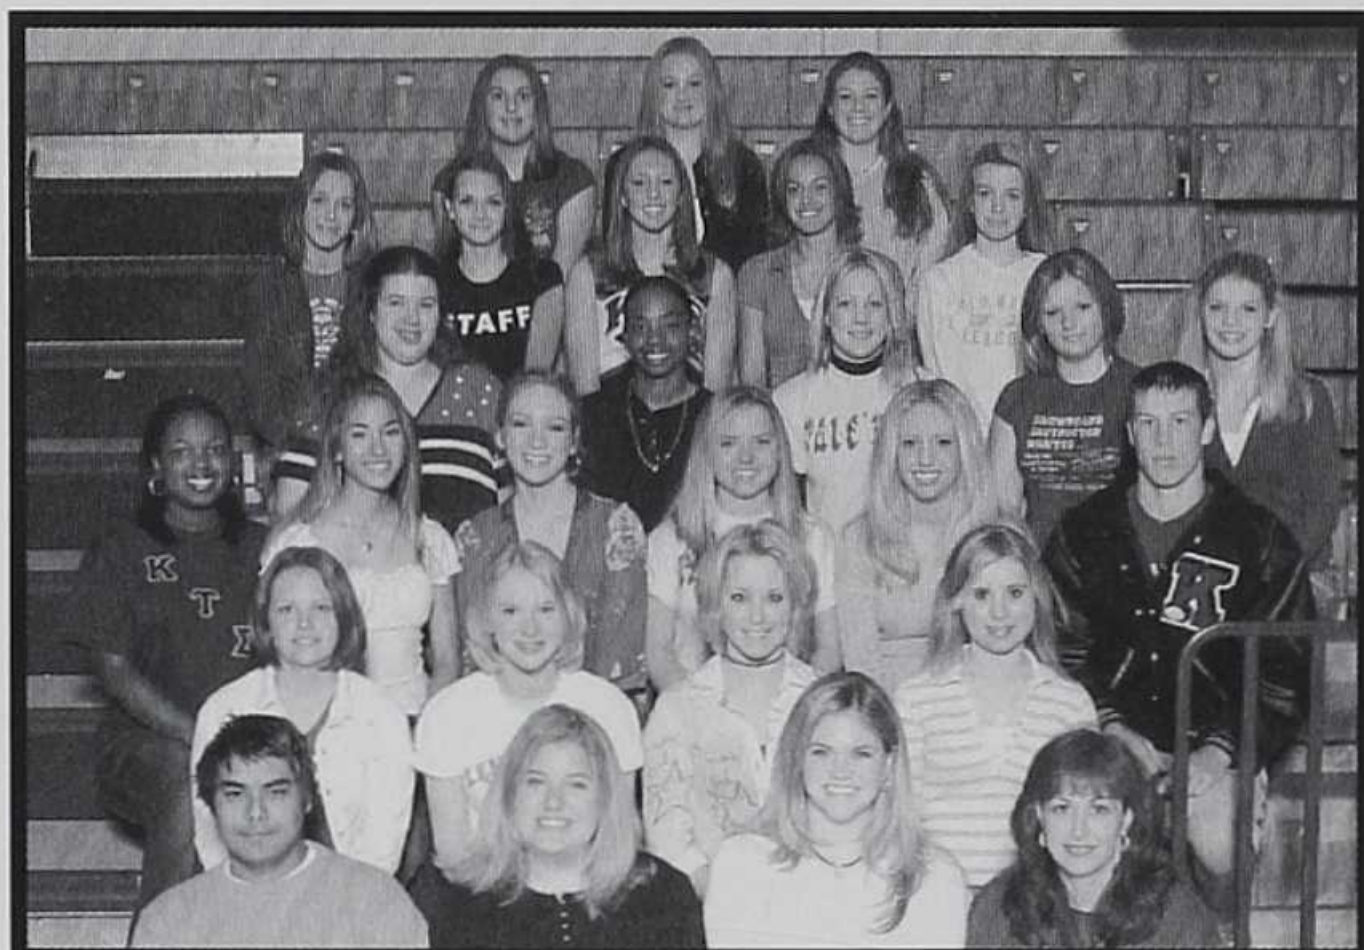

Student Council is the organization that embodies the voice of the student body. Every year each class at KHS votes on who they would like to represent their class. In return they provide the student body with a chance to participate in important decision-making about the school. The elected council works together to build school spirit by coordinating events such as Spirit Week and Homecoming. They also facilitate the national Drug Awareness Week by handing out red ribbons to all students and posting information on the dangers of drugs.

Future Business Leaders of America (FBLA) is a national organization that prepares high school students to work in business and business-related fields after graduation from high school or college. The main goal of FBLA is to combine education and business, and to provide opportunities for students to develop business skills. During the year, members spent many hours preparing for the annual FBLA competition. At this competition, students participated in a wide variety of events such as accounting, marketing, technology concepts, word processing, economics, and communications.

"FBLA is a great organization for our young professionals to learn about the business world before they graduate. It will definitely help them in their future careers."

- Ashley Coffman

"FBLA was very exciting and a wonderful, fulfilling learning experience. I can't wait to be in it again next year."

- Richie Schermerhorn

"Peer mediation is awesome because it is really cool to see people work through their problems and strive to be better human beings."

- Sean Glover

"I think peer mediation is an honorable organization. I enjoyed being in peer mediation this year because I like helping people work out their problems."

- Blanca Velazquez

Peer mediation is a process for resolving disputes and conflicts in which a neutral third party acts as a moderator for the process. This program was established this school year to resolve conflict among students at Kennedale High School. Sixteen students with different backgrounds were selected to be "peer mediators". They attended training sessions where they learned how to manage peer conflict and also developed the necessary skills such as communication, negotiation, and problem-solving. With the launch of this program, Kennedale High School has definitely become a more peaceful place.

The National Honor Society is comprised of students who excel in academics, leadership, and service. Throughout the course of membership, members are required to maintain an A average, perform community service and set a school wide example. Each month members are presented with a new service project. They range from appreciating teachers and coaches with small acts of kindness to organizing clothing drives to help the less fortunate. They are definitely an asset to the school and the community.

The main purpose of the yearbook organization is to record the events at KHS that happened throughout the school year. The staff worked incredibly hard to capture all the significant moments both in writing and on film. With the information collected and the pictures taken, the yearbook staff created an annual that will serve both as a memory book and a historical reference. To cover the cost of producing the annual, the staff sold advertisement space to local businesses and parents of seniors, as well as promoted the sales of the annual itself.

Although it was a small staff, they worked extremely hard to successfully complete the book and were proud of what they accomplished. Job well done, ladies!

PAL, short for Peer Assistance and Leadership, is a program in which students are selected to be part of a year-long course. The first six weeks is dedicated to an extensive training curriculum where they learn program procedures and mentoring skills. Throughout the remainder of the year, the "PALs" visit other Kennedale campuses and mentor young students. As a PAL, they are friends to the younger peers that are in need of a good role model. They show them leadership skills and correct behavior through example. The main goal of the PALs is just to be there when they are in need of friend.

ART CLUB

The Art Club is an organization that is open to any and all future artists and creative minds. It brings together students at Kennedale that share a common trait - a love of art and the desire to create unique and amazing art. Art Club gives the students an outlet for their creativity and the ability to share their ideas with other artists. At the beginning of the year, Art Club members painted faces during

Induction into the Thespian Society is an honorable accomplishment for its drama members. A cumulative twenty points must be earned for induction into the troupe. As a senior, if you have earned sixty points or more, you are an "Honorable Thespian." All members must maintain a 2.5 grade point average, and have participated in at least one major extracurricular production at Kennedale High School. Officers must be in grade 9, 10, or 11 when nominated, must commit to attending additional conferences and meetings at their own cost, and must be passing all classes at all times.

2003-04 Officers:

Sean Glover - president
Sarah Reeves - vice-president
Ashley Tippit - secretary
Hali Hinz - treasurer
Abby Hardy - historian
T.J. Gill - sophomore rep.
Chelsea Johnson - freshmen rep

Now Children!

Sean Glover and Abby Hardy jokingly argue with each other. Looks like Abby won this one!

American Idol Sarah Reeves rocks the audience with her amazing vocal capabilities in this year's musical.

Just Don't Drop Me The thespian officers suspend Sarah Reeves in the air. They were always coming up with creative poses for the camera.

Going for the Gold

Junior Dale Brunson assists senior Camille Southard with showing off her academic medal.

The UIL Academic team consists of a group of students who compete in various areas of academics ranging from literary criticism to current issues and events. These students study all year to get ready for the district meet. At the meet they compete with eight other schools with an average of 20 students entered in each event. Our academic team did very well this year. The debate team, which consisted of Camille Southard and Randi Potenzo, made it all the way to the state meet. Ashley Tippit went to regionals with her prose interpretation piece. Victor Monterroso also went to regionals with a first place at district in current issues and events.

New Discoveries These UIL Academic geniuses prove that "drive-In" doesn't necessarily mean that you need a vehicle.

Story Time Angelica McPartlin, Hali Hinz, Sarah Reeves, and Sean Glover take time after an intense competition to relax by reading stories.

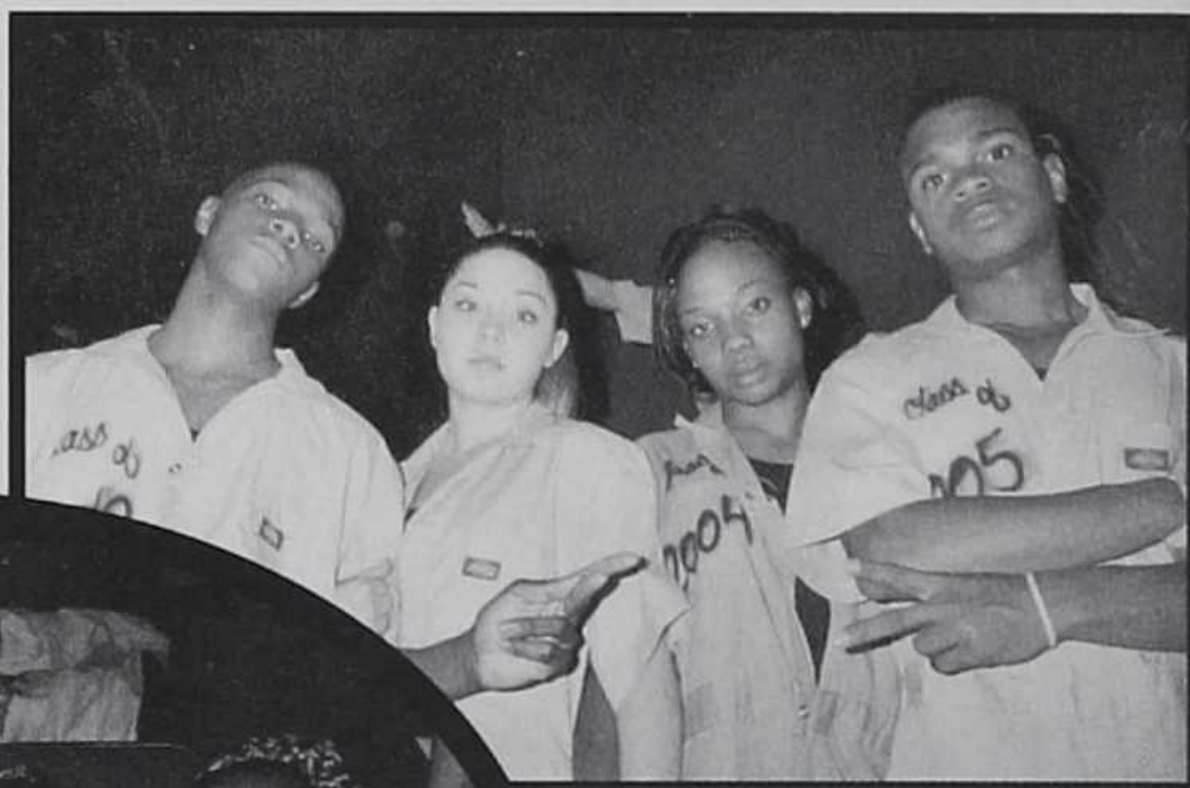

Back Row: Arlisha Hicks, Nathan Sparkman, Dale Brunson, Randi Potenzo, Camille Southard

STEP TEAM

It all began four years ago at a talent show when four girls did a routine which they termed stepping. That one event launched the beginning of the K-Town Steppers. Eventually that small group of four turned into a much larger group comprised of both girls and boys. They combine their sense of rhythm and dance abilities to create a unique and exciting form of entertainment.

The K-Town Steppers provide great entertainment at pep rallies and basketball games. They also take their talent and showcase it at area competitions against other schools. The step team set a standard of excellence while performing and also throughout the school.

Rough and Tough
T.J. Gill, Andrea Apodaca, Anya Porter, and RaShawn Brooks show their game faces while sizing up the competition.

Get Your Hands Up The Step Team cheers on the football players. They certainly knew how to create some excitement.

Macho Men Junior RaShawn Brooks and sophomore T.J. Gill add strength and balance to the predominately girl team.

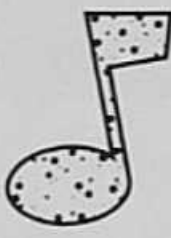

Back Row: Jill Barfield, Alicia McFarland, Andrea Apodaca, Saderion Willis

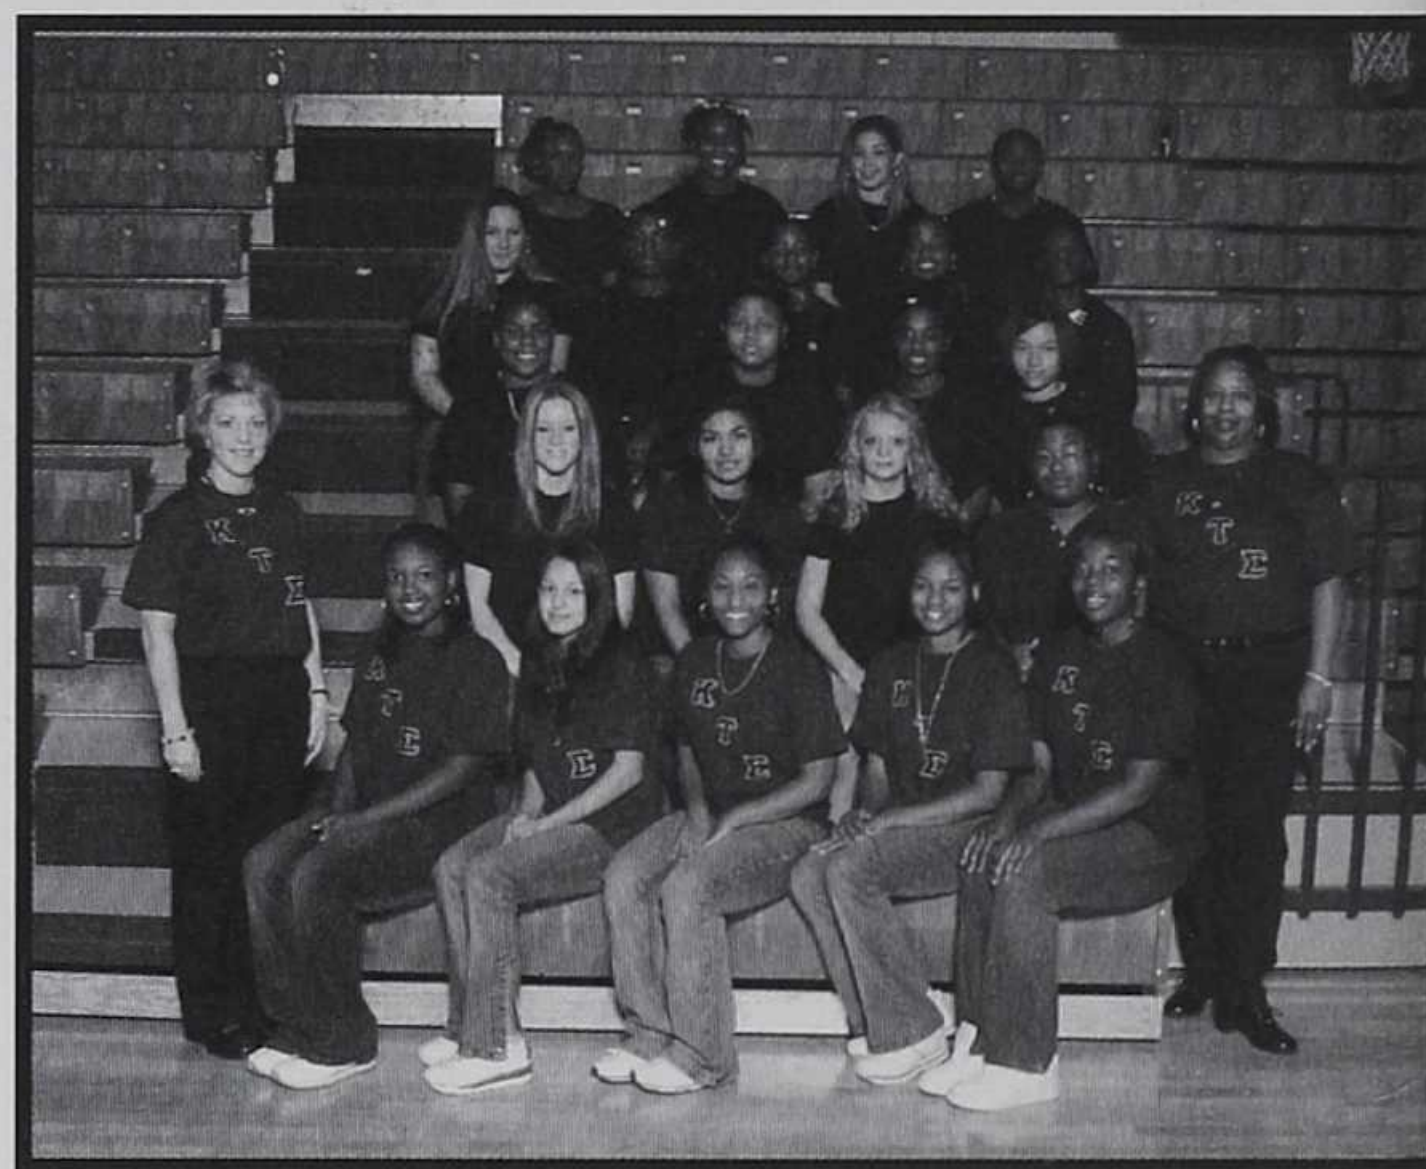

Fourth Row: Nicole Syesta, Weldon Gray, Tiffany Gray, Anya Porter, T.J. Gill

Third Row: Angela Powell, Courtney Askew, Cedonia Allen, Chasity Sanchez

Living La Vida Loca

The purpose of the Foreign Language Club is to broaden the students' cultural boundaries. The club is open to any student that enjoys trying new things. This year, the Foreign Language Club members had the opportunity to learn the "Salsa" dance, attend a Spanish concert, and be a part of many festive holiday celebrations. Ms. Ana Gutierrez held an International Dinner Party where all the members enjoyed a variety of foods and watched a movie. They also held a Halloween party, 'Dia de los Muertos,' and had a huge pinata full of candy. There are 110 members and 10 officers; presidents - Kristen Eaklor & Patrick Arenivar; vice-presidents - Anique Olguin & Lili Ricardez; historians - Ana Mata & Mallory Motley; secretaries - Cassie Howell & Kelly Anderson; treasurers - Adrian Cantrell & Shawn Ranney.

FOREIGN LANGUAGE CLUB

It's All Mine Amberly McGuyer and Adam Billman scramble to pick up as much candy as possible.

Pepto Bismol Please... These sophomore FLC members spin very slowly so they don't get sick.

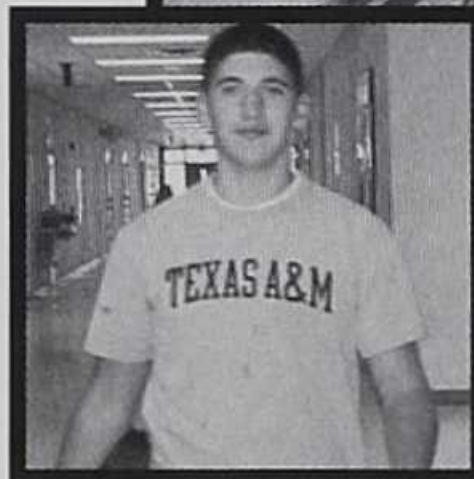

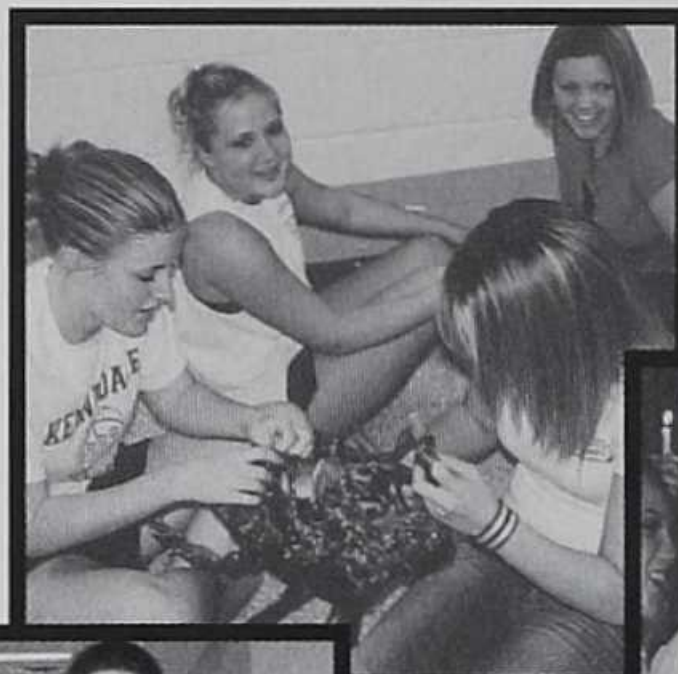

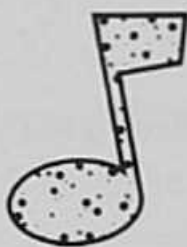

Eres Tu... Legaria Thomas and Marisol Monreal singing out loud at the Justo concert. They even took the time to make matching shirts!

Y-M-C-A? No, these sophomore FLC members aren't doing the YMCA, they are cheering as the gorgeous Justo glides onstage! Woohoo!

Call of Duty

For some seniors, their patriotism was the determining factor in deciding what lies ahead for them after they leave Kennedale...they have chosen a honorable career in the military. Many of our graduates have already enlisted in one of our nation's military branches and will begin basic training soon after graduation.

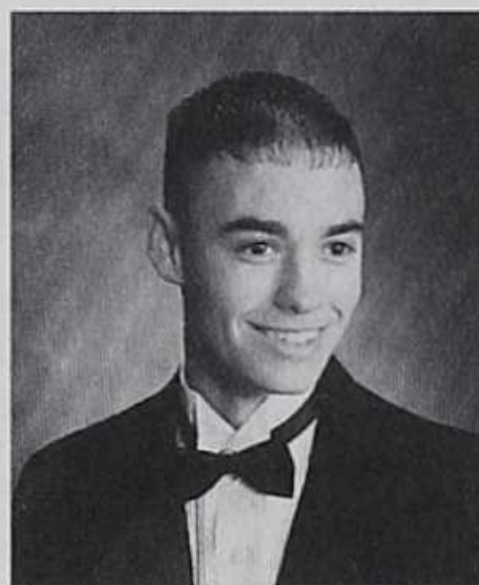

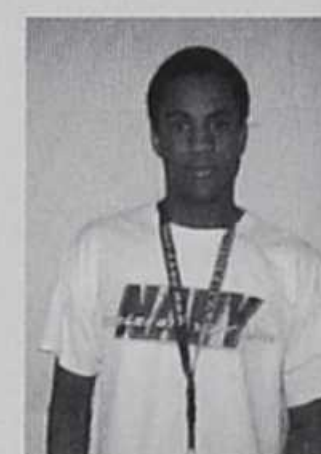

"I decided to join the Air Force because it's what I've always wanted to do after graduation and I think it will be the chance of a lifetime"
- Cameron Wiley

"I joined the Army because I've always looked up to those people. As I grew older, I realized it was a good chance to get money for college."
- Brandon Thomas

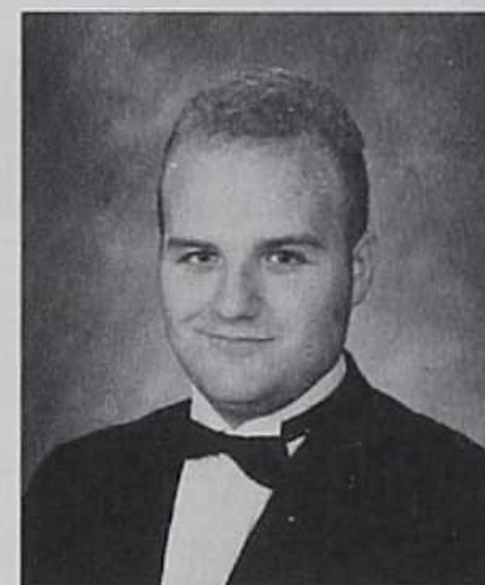

"I joined the Navy so I can start my life, see the world, and not end up like most of the seniors who graduated and did nothing with their lives."

Higher Learning

Many seniors just can't get enough... learning that is! After they walk the stage in May, a good percentage of the senior class will head off to college in August to continue their love of learning. Some will opt to stay at home while attending a local college, while others will venture out and attend a college in Texas or out-of-state.

"I decided to go to Northwestern State in Louisiana because I was offered a band scholarship. I will be studying nursing and radiologic technology."
- Anya Porter

"I am attending UT at Austin because it is a highly ranked program. I plan to study business and hope to major in marketing."
- Camille Southard

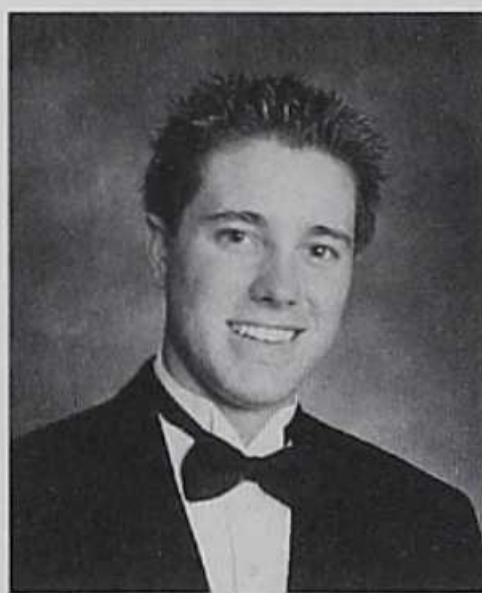

"I decided to go to TCC so I can work as a pharmacy technician. I'm studying to be either a pharmacist or an orthodontist."

Walk On

On Sunday, May 30th, the Class of 2004 walked the stage at Will Rogers Coliseum in Fort Worth to receive their diplomas. As always, the seniors followed the tradition of walking in to the customary graduation song "Pomp and Circumstance." The secretary of the class, Ty Mayes, presented the invocation. Our valedictorian, Camille Southard, and salutatorian, Jennifer Dugger, then addressed their class with inspiring speeches. Following the speeches, the senior BCIS students presented the senior slideshow which featured a past and present picture of each senior. After the long awaited turning of the tassels, Mr. Edwards gave the closing remarks and Kacy Duncan provided the benediction. After 13 long years, the Senior Class of 2004 were officially graduates of Kennedale High School.

Tic-Tac-Toe Corey Thomas entertains himself while waiting for the teachers to give him the green light to enter the auditorium.

Outside these walls

Believe it or not, teachers and staff at KHS actually do have a life outside of school! After grading papers, creating lesson plans, and molding the future of America, teachers like to take advantage of any spare time by participating in a hobby or activity they enjoy. Here is how some of our teachers relax and have fun.

The Facts of Life

Everyone at Kennedale has some interesting fact about them that few people know about. Some are quite surprising! We decided to shed light on these little known facts and share them with all of KHS. It's a little known fact that...

...**Janna Long** was classically trained in opera for 11 years before marrying and having children.

...**Deb Hinz** was born in Las Vegas and she enjoys playing poker -- must be something in the water!

...**Alison Boubel** was an exchange student in Japan for one month in high school.

...**Ruth Worley** loves to watch football and is a big fan of the Washington Redskins.

...**Teresa Roden** was proposed to ten times and only said yes once...they are still married.

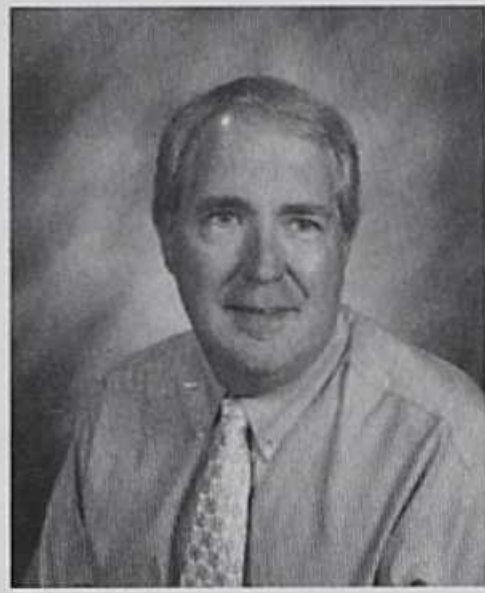

...**Rita Whatley** is a certified hypnotherapist but not currently practicing.

...**Sam Riley** played professional football in Sweden, Denmark, and Norway.

All Clear Now? Science teacher, Michelle Hurst, explains to senior Adrian Cleveland how to find an answer to a difficult problem during physics class.

Teacher of the Year Ruth Worley

Ruth Worley has been shaping the minds of youth for 20 years and has been at Kennedale High School for 19 of those. She enjoys teaching because she loves learning new things. Also, she loves the students because they "always present a challenge and have limitless energy." She has called Kennedale home for nearly two decades because the "faculty is like a family" and she has wonderful support from the administration and office staff.

Ruth has two children, seven grandchildren, and two dogs - Boo and Ginny. In her spare time, she enjoys traveling, gardening, crocheting, and building model railroads.

She is a wonderful teacher, mother, grandmother, and friend -- we are lucky to have her at KHS!

*"Be proud of who you are and what you can accomplish, always keep a dream in your heart and be true to your beliefs."
- Ruth Worley*

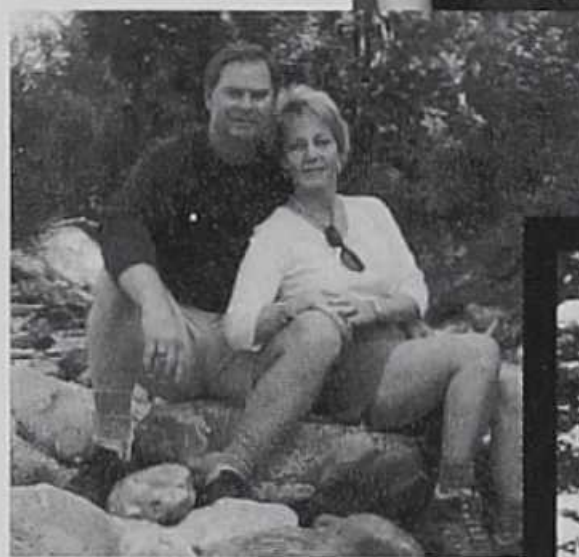

Paraprofessional of the Year Kathy Duncan

Kathy Duncan has been the smiling face the students and staff all see when they walk into school for the past five years. As the school secretary, Kathy keeps the front office running smoothly. She loves working at Kennedale because she enjoys working with the public, the faculty, and the students. Also, she says she is privileged to work with a truly dedicated staff on a daily basis.

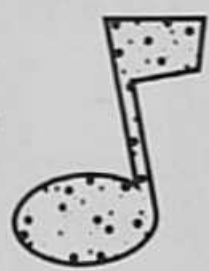

Kathy has been married to her husband, Roger, for nearly thirty years. She has two wonderful children, Dustin, KHS Class of '99, and Kacy, class of '04, and a precious dog, Brandi. In her spare time, Kathy likes to shop, watch movies, snow ski, and attend student functions such as plays and sports games.

She lights up the front office with her positive attitude and goes above and beyond to help others. She is truly an irreplaceable staff member at KHS.

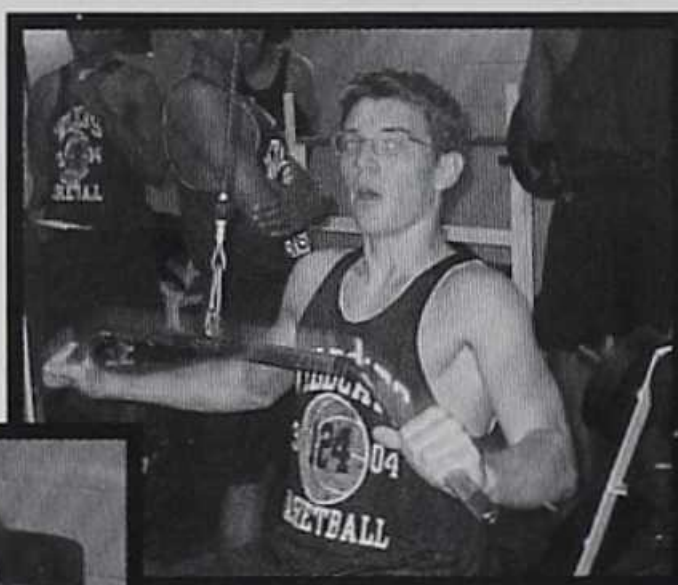

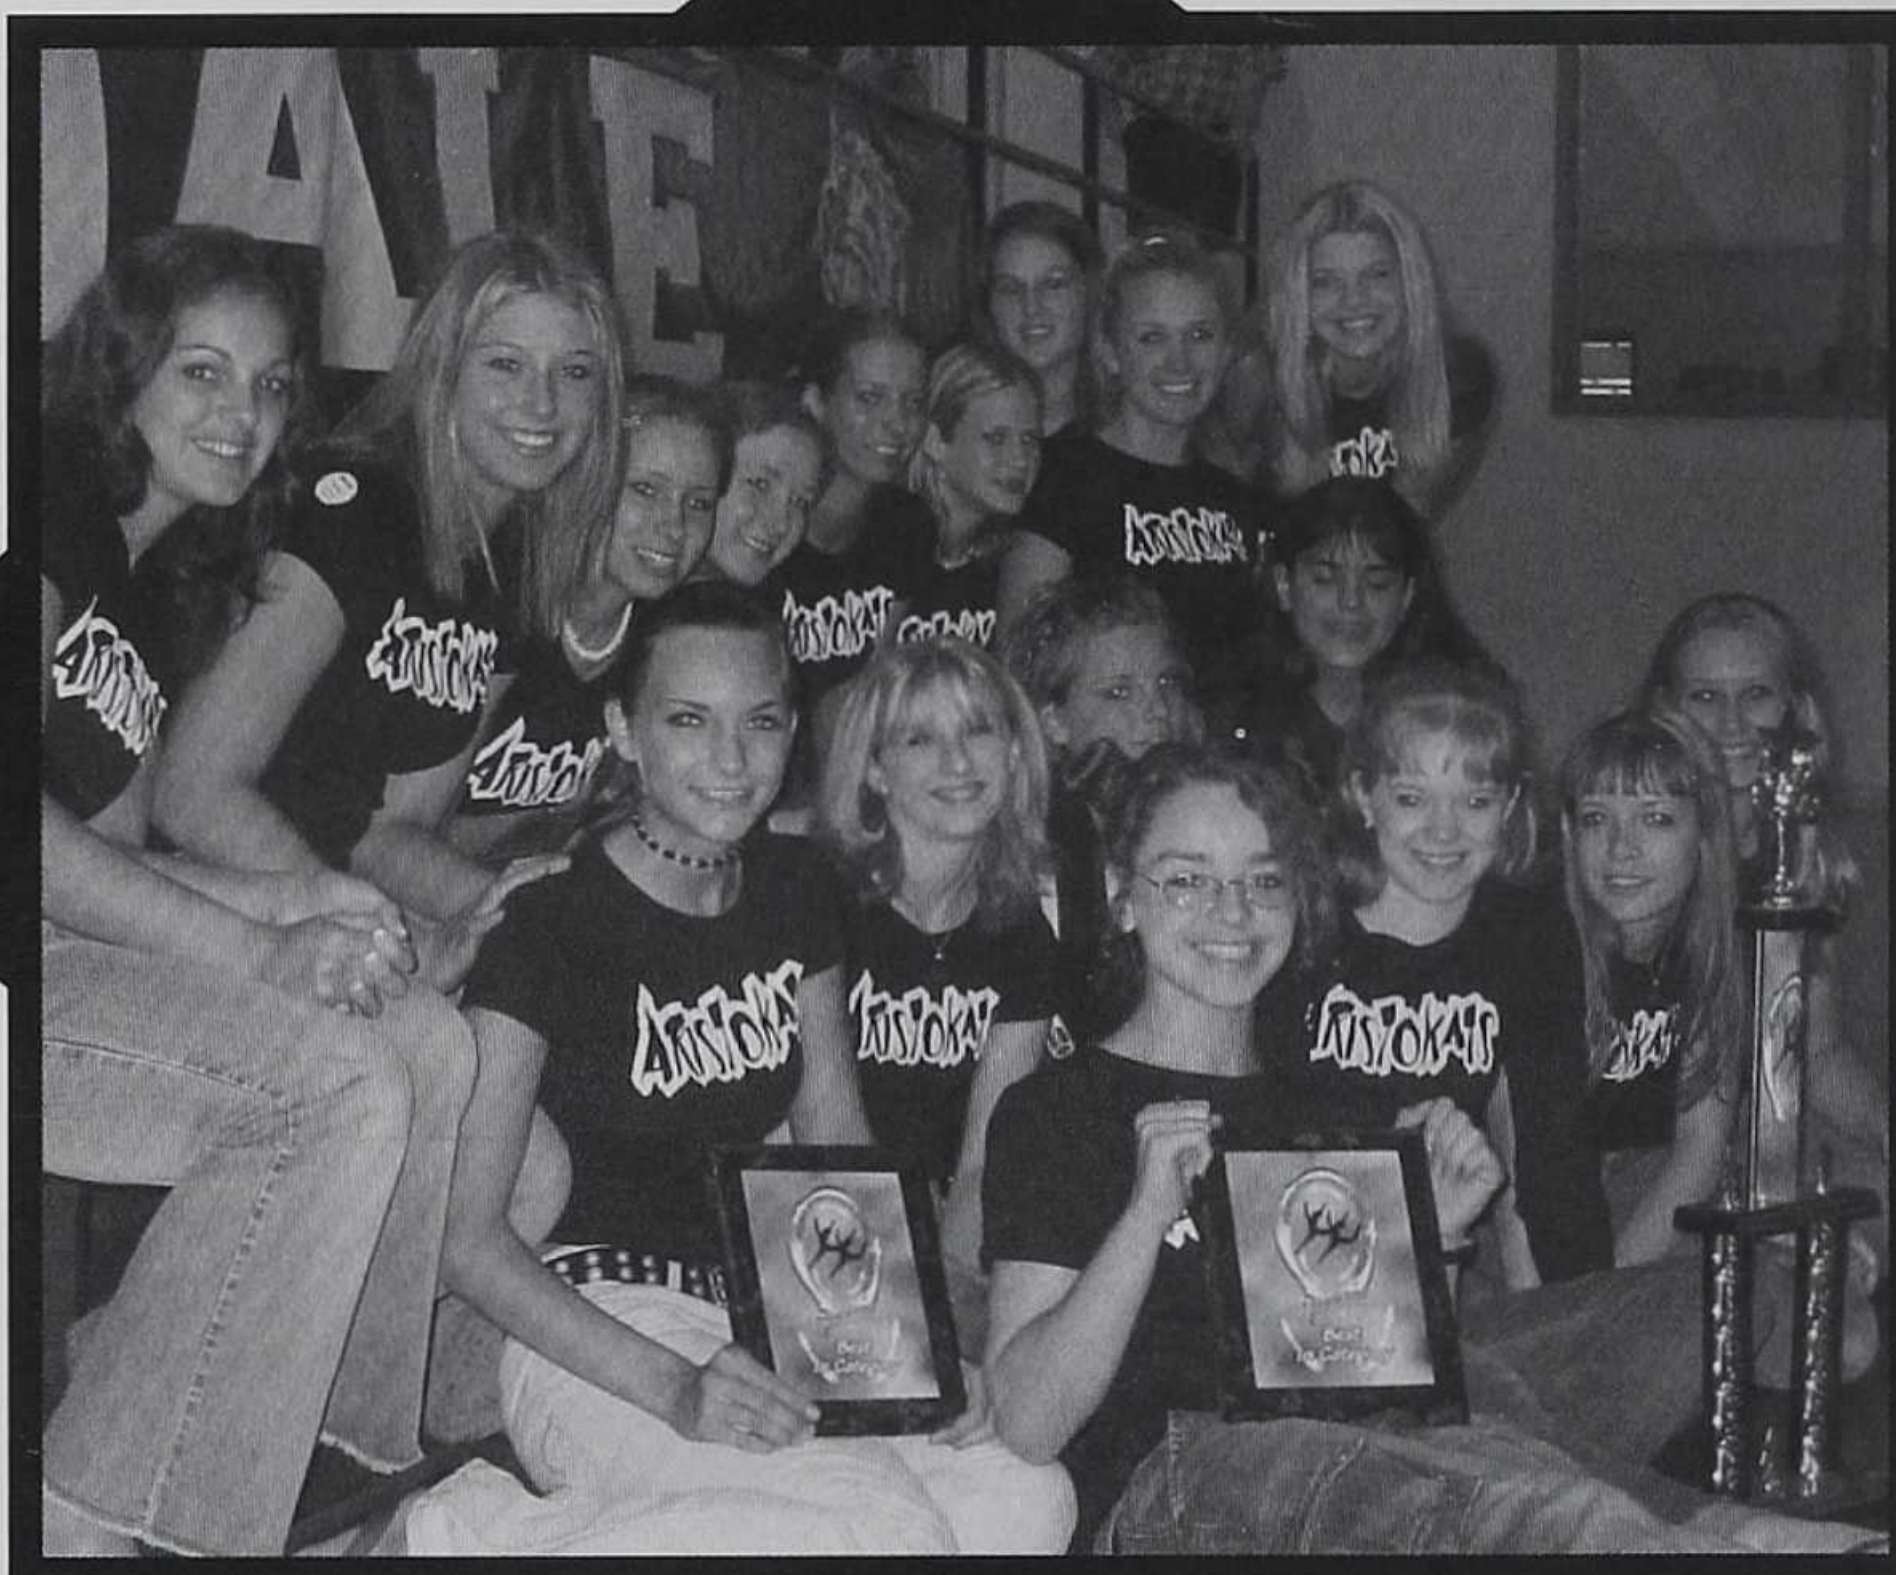

*"Be all you can be. Be involved and enjoy your high school days...make the best of them."
- Kathy Duncan*

Ok, on to my personal touch. You guys have made this year so incredibly awesome for me! I will never forget the memories we made in Varsity Choir and Pizzazz, and our K-Lo experiences will definitely continue on. So instead of a wise, very deep saying to end this, I will just wish some good, ol' fashioned luck. Luck in whatever you do, whatever you have waiting for you. Because I know you guys have the ability to be the best in whatever you want to be. Anyway, my personal congrats to all the seniors, and a very special congratulations to the ones in Varsity Choir and Pizzazz. We made it!

Love,
Abbie (the 'Nazi')

P.S. A bunch of thanks to Ms. Gabriel for making this year one of the best. We love you!

Dear Ashley,

The years have passed so quickly as we have watched you change from a little girl into a successful, determined adult.

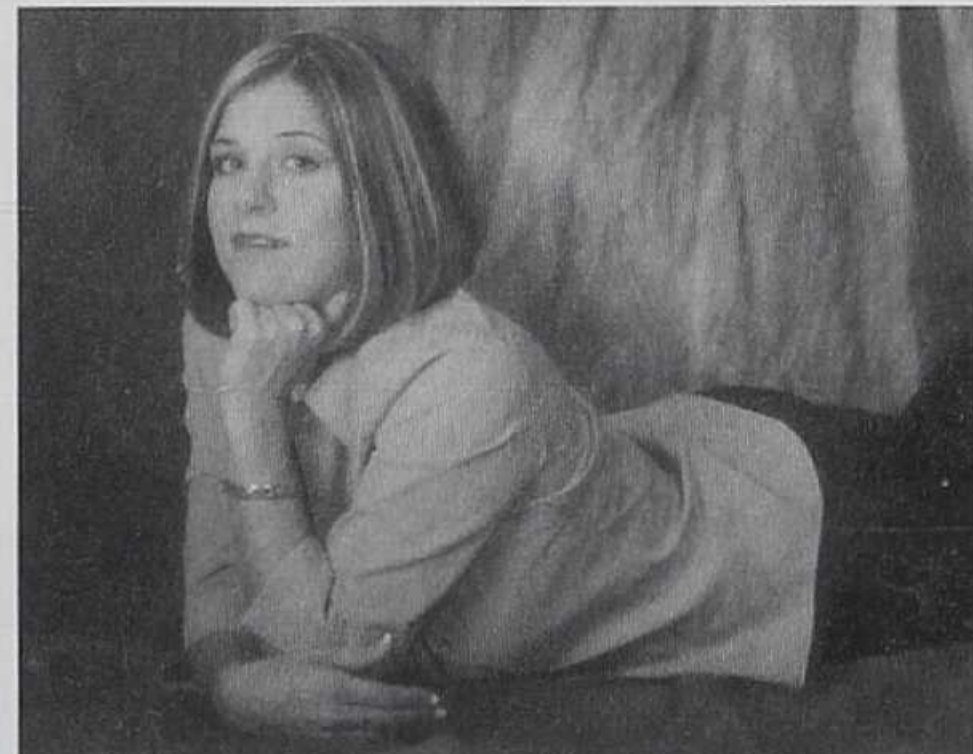

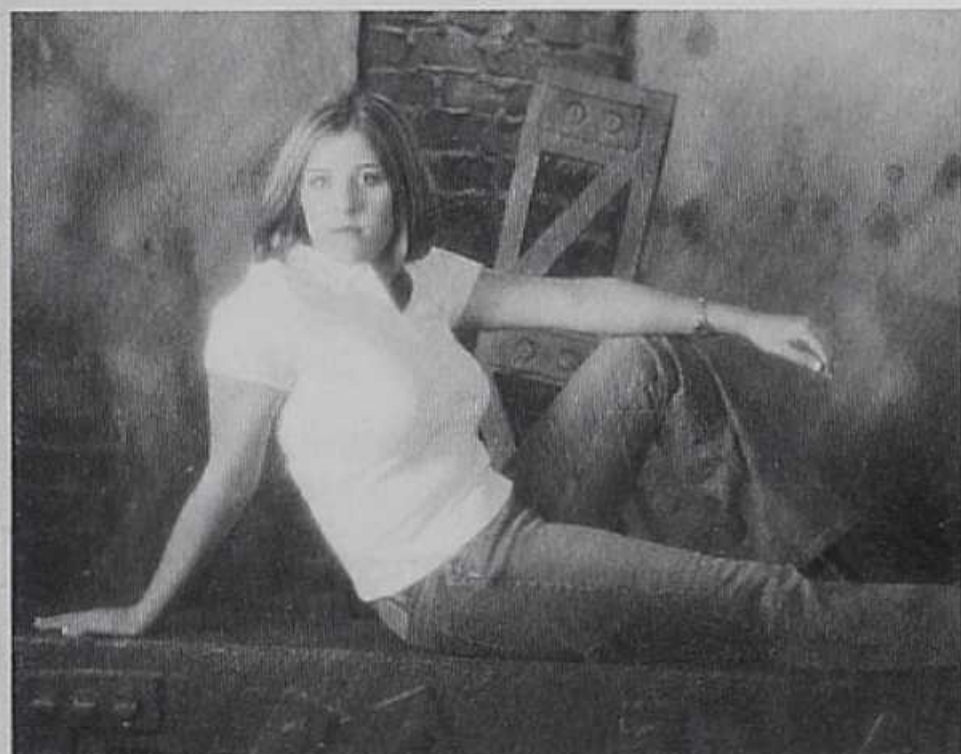

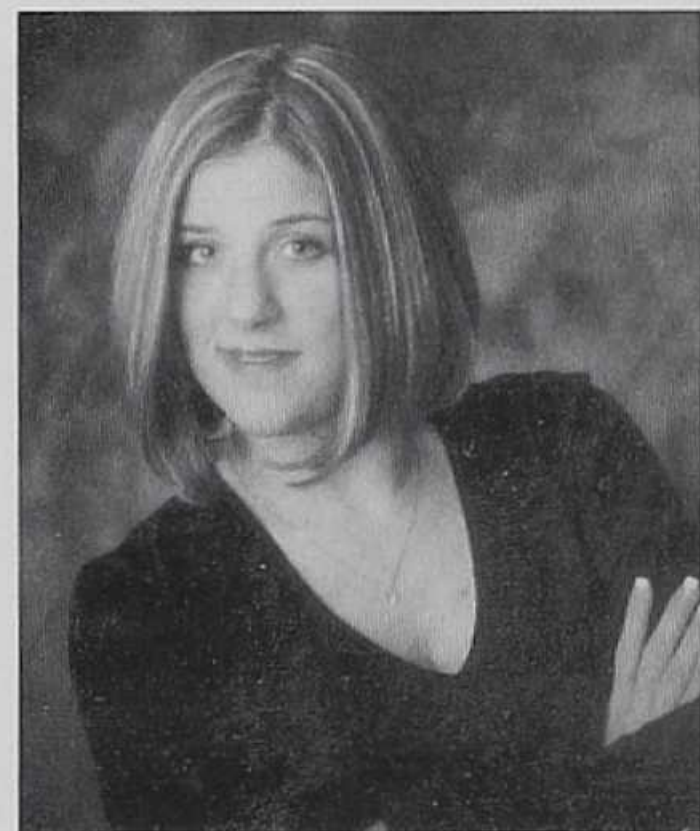

We are very proud of your academic accomplishments and take pride in congratulating you for completing high school a year early.

As you start your new journey into college, Remember to set goals for yourself, and most of all Believe In Yourself!!

We love you very much and are blessed to have such a lovely daughter. We will always be here for you.

CONGRATULATIONS "Senior 04"!

Love,
Mom and Carl

Dear Ashley,

We can still remember the day we brought you home from the hospital.

You were so sweet and tiny. We struggled putting you into the carseat to bring you home.

Through the years it has been such a joy watching you grow. You have been the love of life.

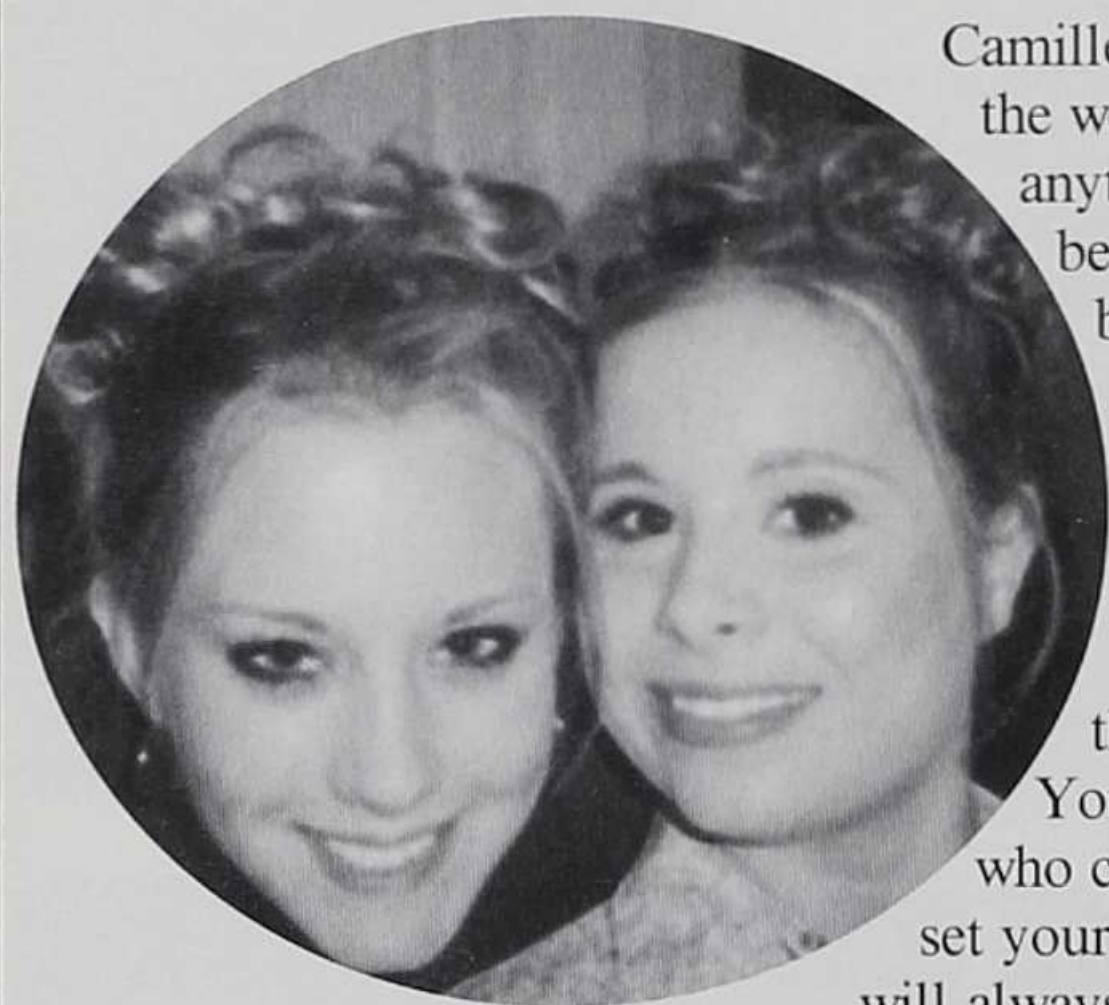

We are so very proud of the choices you have made in life, and even the very few that could have been better turned into great learning experiences.

Just remember the choices you make will determine what you make of your life!

Set your goals, reach for the stars, and know that God will always be with you.

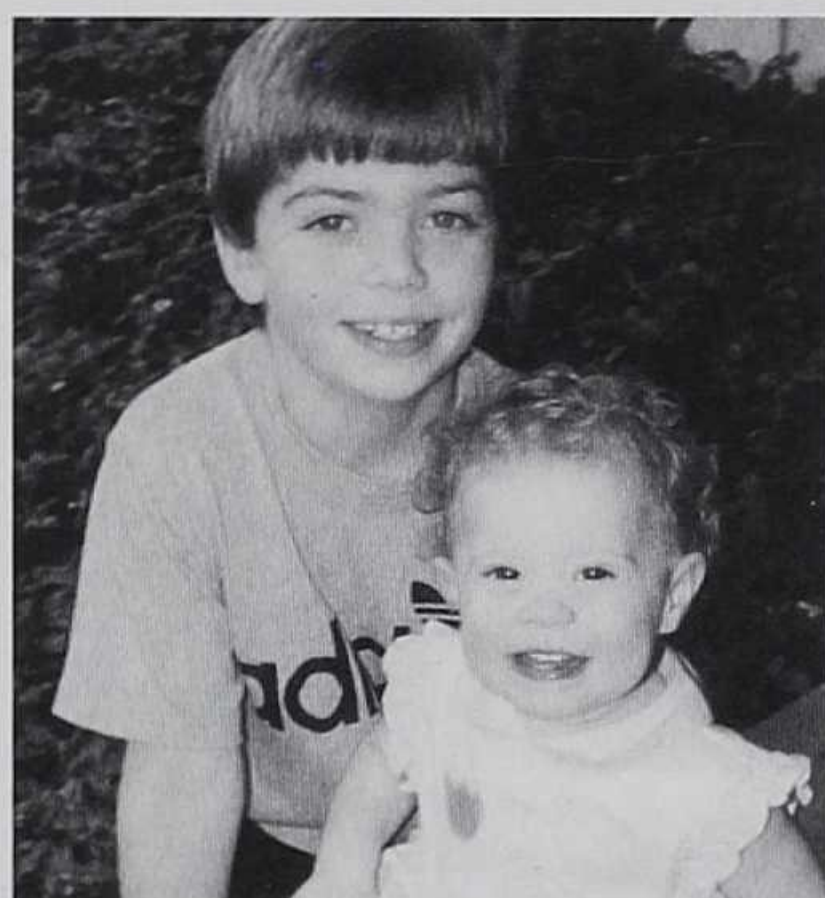

We Love You,
Granddaddy & Mini

Camille, my best friend in the world, there's barely anything that we haven't been through together because we've done it all. From crazy to sad, happy to mad, you name it. I thank God for our friendship and all the wonderful times.

You are amazing girl who can do anything you set your heart and mind to. I will always be here for you and have all the faith in the world in you.
I love you, girl.
Randi

Camille,

I've enjoyed watching you grow up over the years and have seen what a wonderful person you have become. I know you will go far in whatever you do!

Love,
Dane

Dear Camille,

The past eighteen years we have thoroughly enjoyed sharing ballet, soccer, horses, gymnastics, softball, the flute, basketball, cheerleading, volleyball, tennis, academics, theater, Pizzazz, boyfriends, heartbreaks, cars and your crazy sense of humor (which you inherited from your dad!).

You are the most respectful, loving and caring daughter that any parents could ever have hoped for!

Maintain your integrity, high morals and strong faith in God, Camille, and you will truly be successful in life. Success can best be described as willingness and ability to help others.

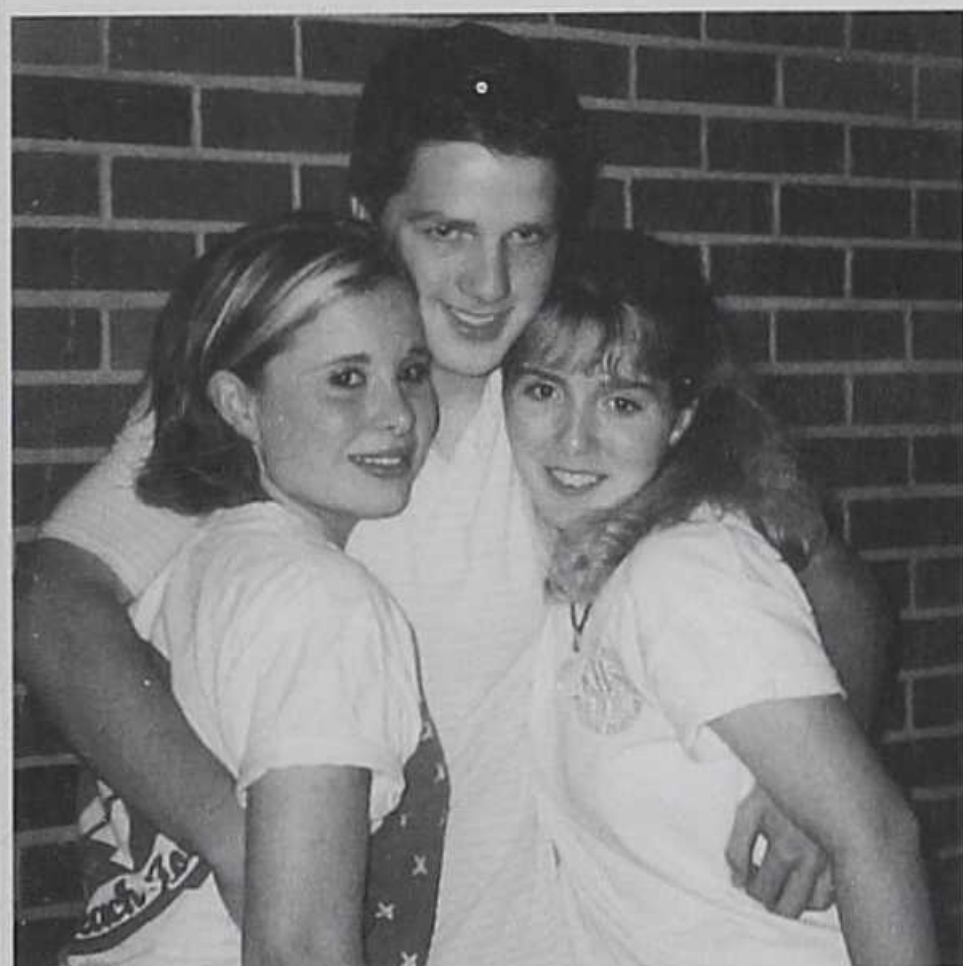

"Let us think of education as the means of developing our greatest abilities, because in EACH of us there is a private hope and dream which, fulfilled, can be translated into benefit for everyone and greater strength for our nation."

We are proud of you and are certain you will capitalize on your abilities in the future as you have done thus far. We will continue to support you in your own personal and professional goals so that all your hopes are realized, and you will become a positive role model and leader in our society.

We wish you the best of luck as you set off to become a LONGHORN this next school year!

All our Love,
Mom and Dad

Words are the hardest to come by at a time like this. You have grown from a beautiful little baby into a very wonderful young lady. We have gone through a lot as a family and there have been many great and wonderful times just because you were there.

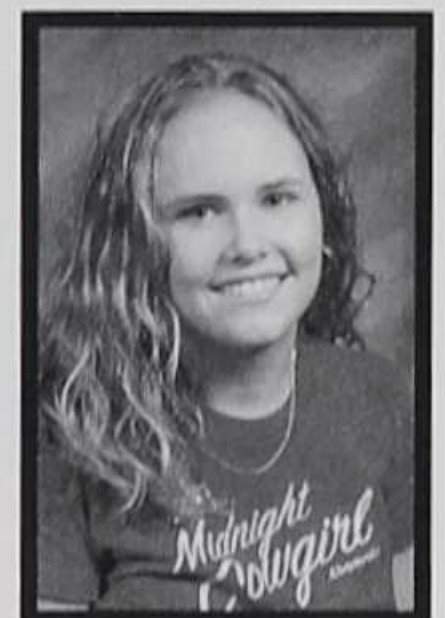

Remember that there are good things in everything that happens! You have to find them and let them help you be successful. Keep up the good work and always strive to be the greatest you can be.

Love,

Don't let anyone ever tell you differently, and if they do, you have 3 older sisters that will back you up, always.

Heidi and Jeff

Hailey,

I am so proud of you. You are the last Golden girl to go through Kennedale and you made it. I hope you made your senior year memorable and hope you have a great freshman year in college. I love you and congratulations.

-Holly

Hailey,

We have watched with pride as you grew from a tiny baby to a beautiful, independent young lady. You have continually impressed us with your strengths and abilities. Watching you grow and change over the years has brought us great joy and memories that will last a lifetime. You have so much to be proud of and so much to look forward to. May all your successes in life along with your hopes and dreams bring you the happiness you deserve.

We love you very much and may God guide you through your continuing journey.

Love,
Mom and Dad

P.S. As Grandma Ann would have said if she were still with us... "Hailey, Hailey, Hailey, you can be whatever you want to be."

P.S.S. You are "AMAZING" to us.

Jamie –

My Precious, the name I gave you as a baby, because you were and are so precious, so sweet, so kind and so loving. You became my leaning post through many difficult times, and together we became stronger. You have been the best time of my life, having you for a daughter has kept me busy and I loved every minute. From Barbie Dolls T-Ball to High Voltage to Lady Kats and now I can't wait to see you as a Texas State Bobcat. I will miss you but I am SO PROUD OF YOU and the accomplishments that you have attained. I pray that God will continue to bless you and help you achieve the rest of the goals that you have set for yourself. Remember wherever you are, I'll be there, maybe not in person, but always in heart. The song **"THERE GOES MY LIFE"** comes to mind, as I think of you going away to college, because you are and always will be "my life". Remember "our song" my favorite part – **"AND WHEN THE DAY IS DONE; MY MOMMA'S STILL MY BIGGEST FAN."** That will be forever and for always just as your favorite book as a little girl states – **"I'LL LOVE YOU FOREVER, I'LL LIKE YOU FOR ALWAYS, AS LONG AS I'M LIVING MY BABY YOU'LL BE".....**

ALL MY LOVE FROM YOUR BIGGEST FAN – MOM

Mam-ma sends her love and she wants you to know she is very proud of you and that she is thankful for the precious memories she has because of you and she prays God's Blessings upon you as you start your new college life.....

TO A WONDERFUL DAUGHTER.

WE CANNOT BEGIN TO TELL YOU HOW PROUD WE ARE OF YOU. IN A WORLD WITH SO MANY PATHS AND DIVERSIONS, YOU HAVE MANAGED TO KEEP YOUR HEAD HIGH AND YOUR AIM STRAIGHT. FROM YOUR CONTINUING SPORT CAREER, GRADES AND EVEN TWO SHORT TERM JOBS, YOU HAVE SHOWN LEADERSHIP AND DETERMINATION THAT WON'T QUIT. YOU HAVE THE CLOUDS WITHIN REACH IF YOU KEEP PRESSING TOWARDS YOUR GOALS. PLEASE BE CAREFUL AND STAY SAFE.

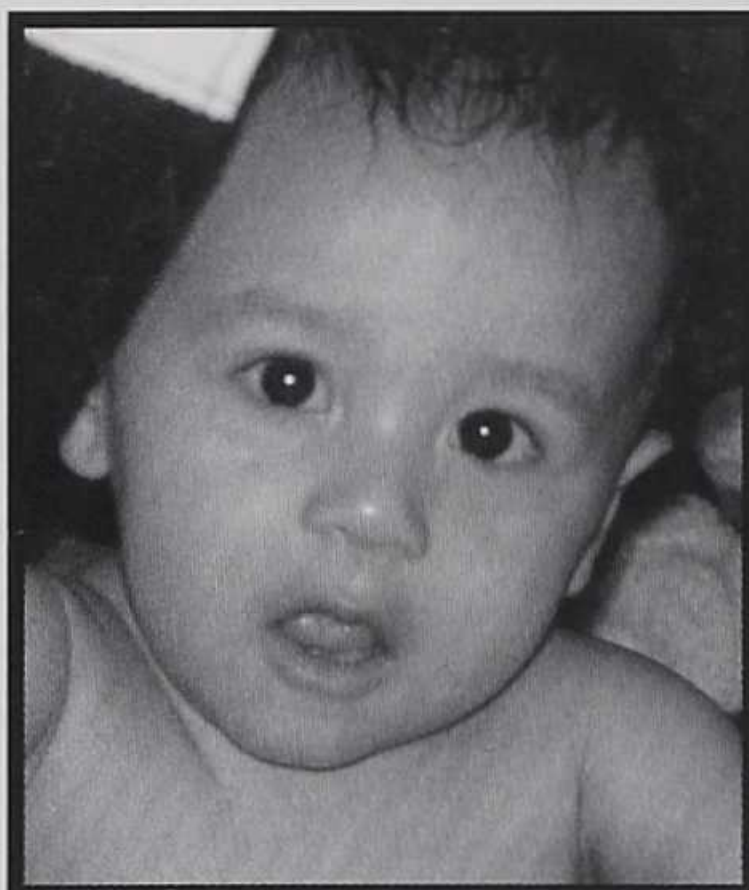

**ALL OUR LOVE FOREVER,
DAD, AMY, VICTORIA AND ASHLEY**

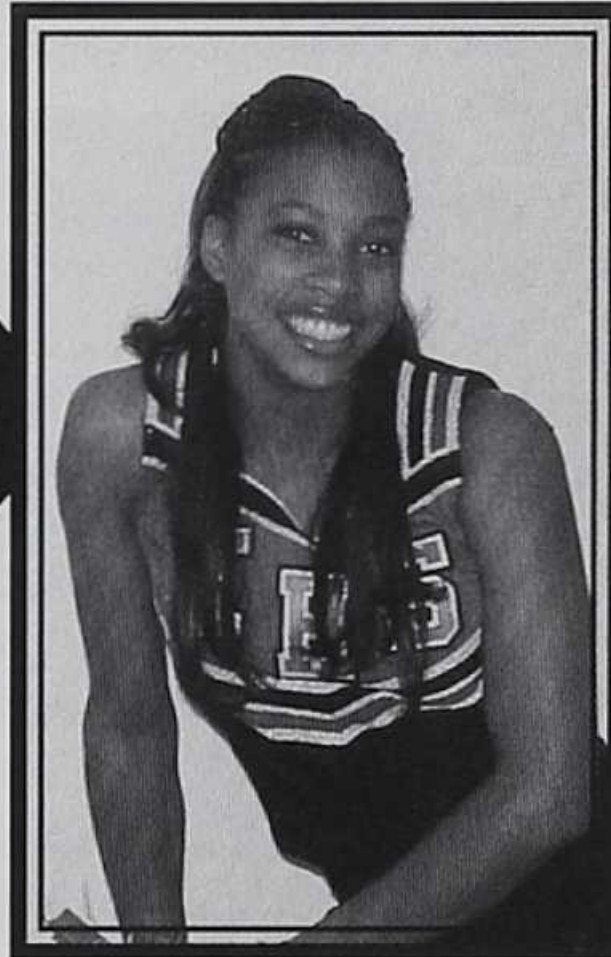

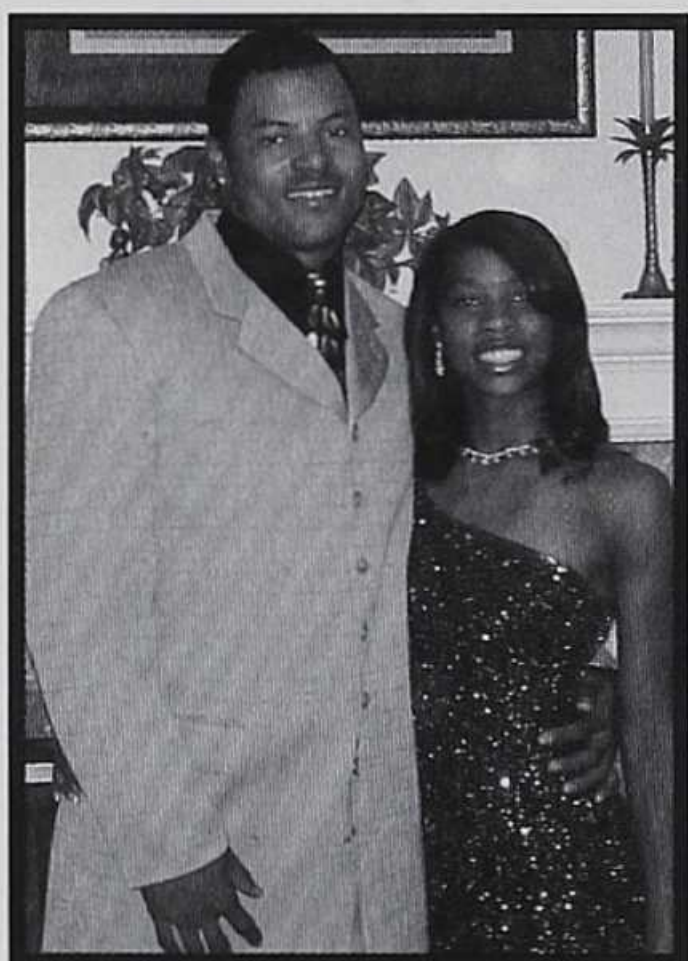

Good Luck Jamie...I'm proud to be your Big Sister – if you ever need me –I'll be there – Love ya- Misti

Sergio,

I am so proud of you!! Congratulations. You have worked long and hard for this day. You have grown from the little boy playing with Ninja Turtles and Power Rangers to a young man with a great sense of humor and a good heart. Always believe in yourself and you will go a long way. Never give up on your dreams. I could not have asked God for a more wonderful son. I hope you will always cherish your youthful moments and high school years. Now as you take the next step in your life, just know that you can do it if you set your mind to it. Thank you for making me so proud!

Love,
Mom

Serg,

There are many clever poems and sayings that I could write for you. They would all beat around the bush to tell you that I love you and only wish the best for your future. I hope you become what you always dreamed of being, and I just want you to know that you can rely on me to be by your side always. I admire you for never giving up no matter how bad it got. You have become an awesome person with incredible inner strength and beauty.

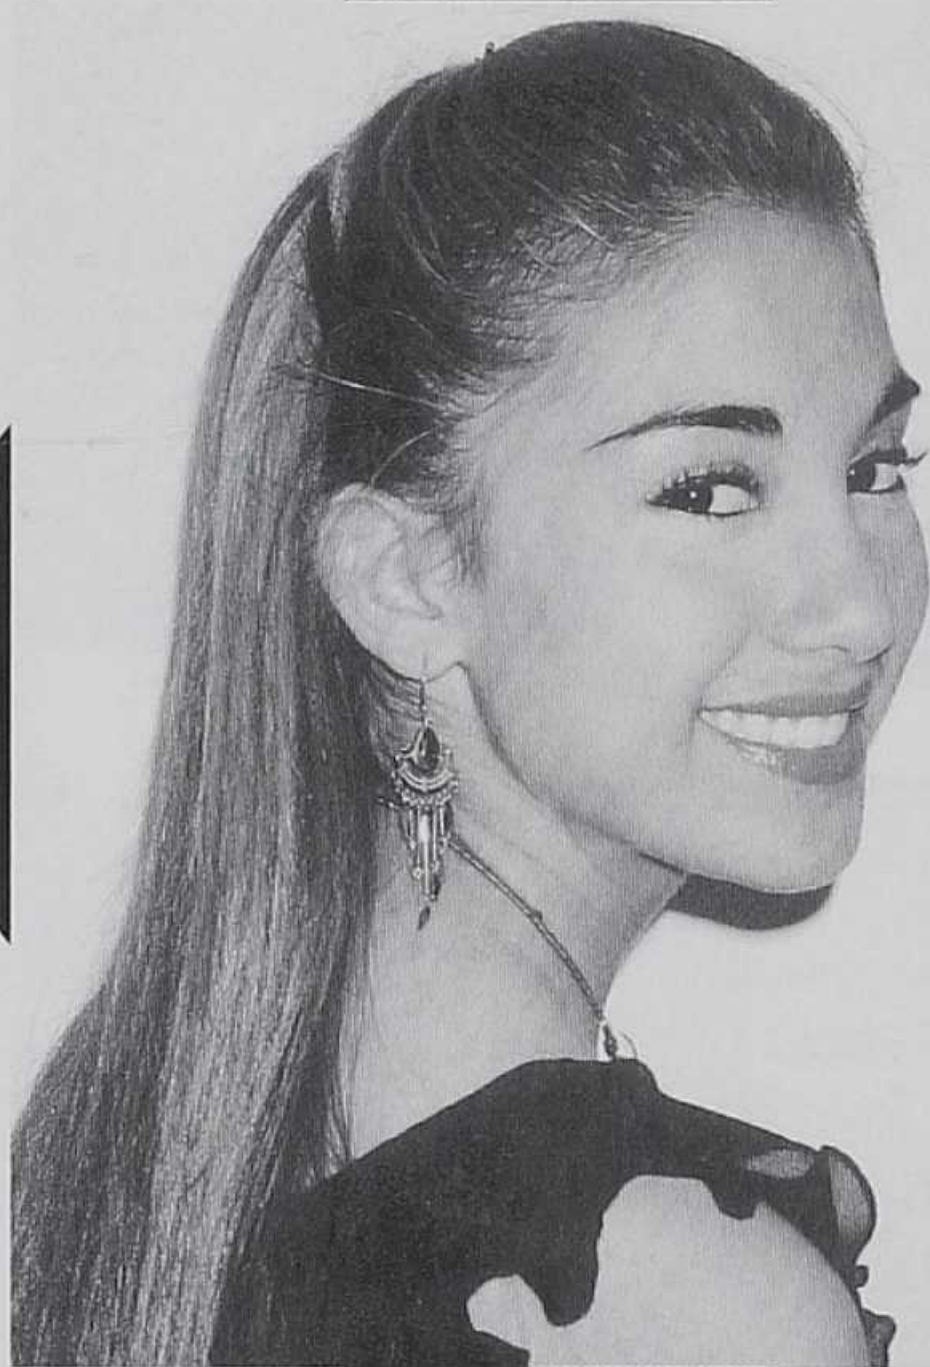

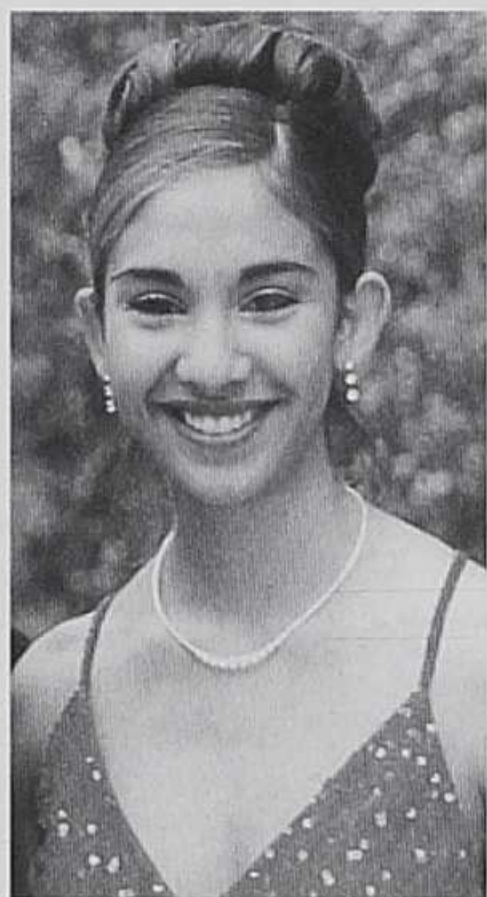

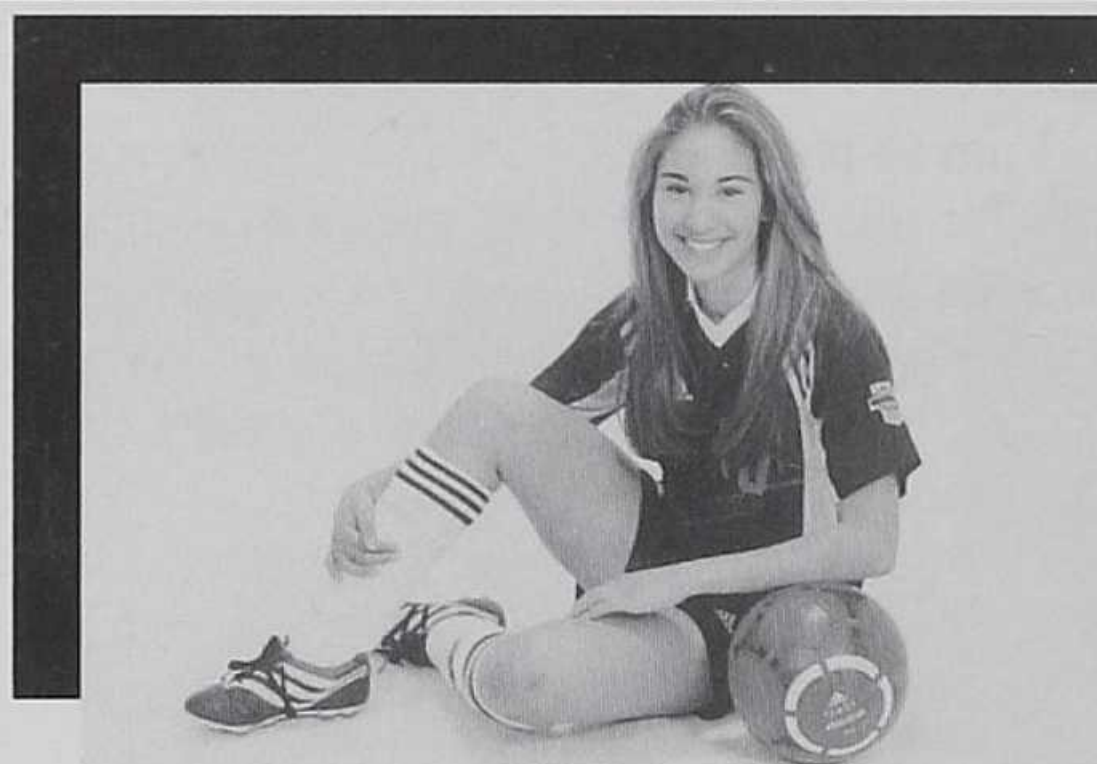

I am so proud of you,

Anique,

Well, your name fits you so well. Being able to be a part of all you have become has been a blessing and a gift. Your achievements are far too many to name. You have an incredible way of touching so many hearts and giving of yourself. We know that God has a special plan for you. We love you!

Sweet pea,

Since the day you were born you have always been the light of my life. I can't believe 18 years have gone by so fast. Now the future is yours to do what you want. I know that you will make the right choices in whatever you decide to do. You are a beautiful, smart and very giving person. As you venture on in life, don't forget how special you are to me. I will always be here for you, Sweet pea. I am so proud of you and I love you with all my heart.

Love You,
Mom XOXOXOX

When
God brought you into this world eight weeks early, it was both scary & exciting at the same time. You proved at a very early age to be a strong & courageous soul. You enrich every life you touch with your beauty, both inside and out. We love you with all our heart and can't wait to see what wonderful things you will accomplish as your life after high school begins.

We Love You,
Dad & Leslie, Grams & Papa

Randella,

You know I avoid situations pertaining to mushiness, but since my efforts prove to be futile in this instance, here goes nothing. No matter where life takes us, I have faith we will be best friends forever. You are remarkable, and I thank God He gave me such a compassionate, fun-loving, beautiful person as my best friend. Thank you for the memories: trips to the lib, Ferdinand "King of the Spatula," coffee runs, experimental walking, klepto-ing, talent showing, "holliewood" (hey, at least we have shirts.), continuous K-town supporting, grilled cheese and tuna, Juan, late night phone calls, absurd nicknames, etc. Please know that I love you and am so very thankful for the friendship we are so privileged to possess. Congratulations on graduating-WE MADE IT! I anxiously await the many memories that have yet to occur.

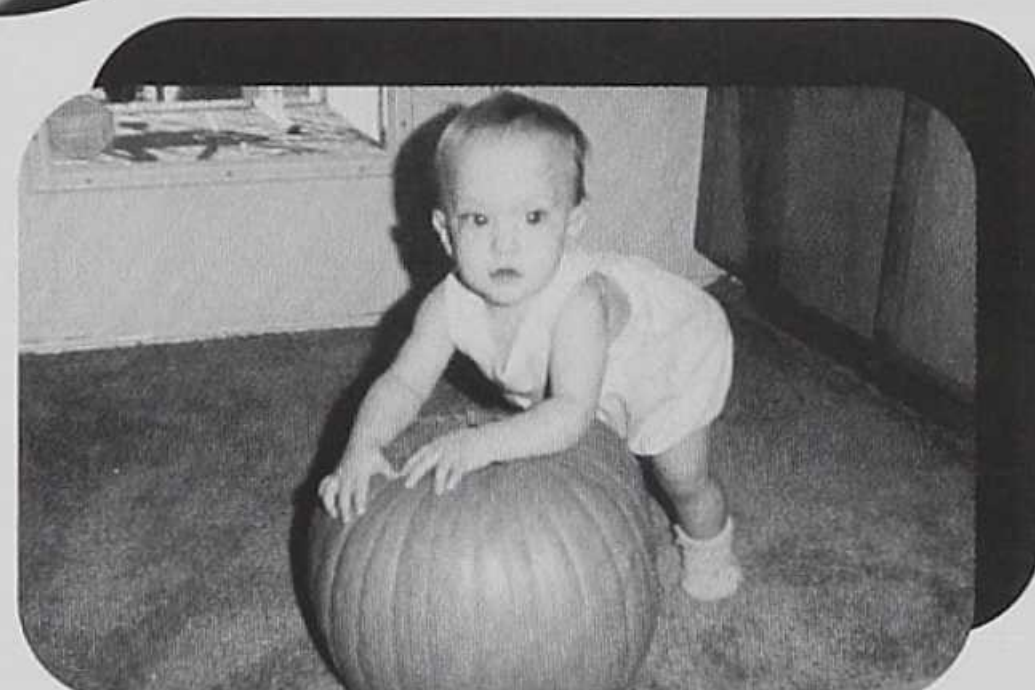

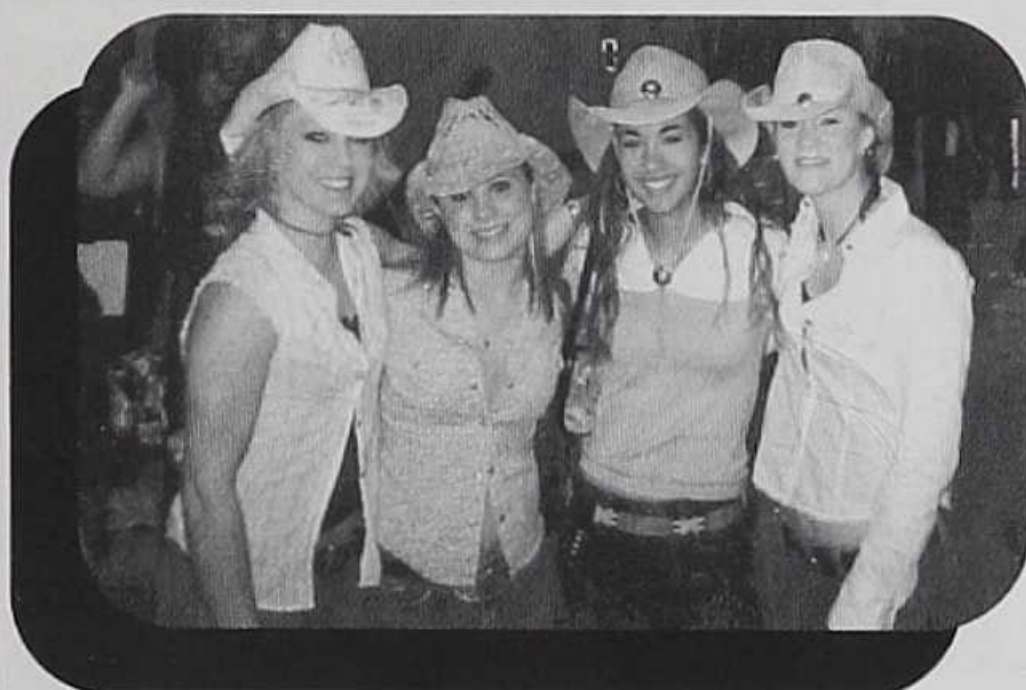

Love always,
Your best friend, CamiKoali, '04

Chelsea,

From the day that you entered into this world, with your blonde hair and blue eyes, God blessed us with your life.

Raising you was not a job, but

instead an adventure. We wouldn't change a thing if we could.

You are not only my daughter, but my best friend

and you'll always be your

Daddy's little girl. We have

enjoyed the last eighteen

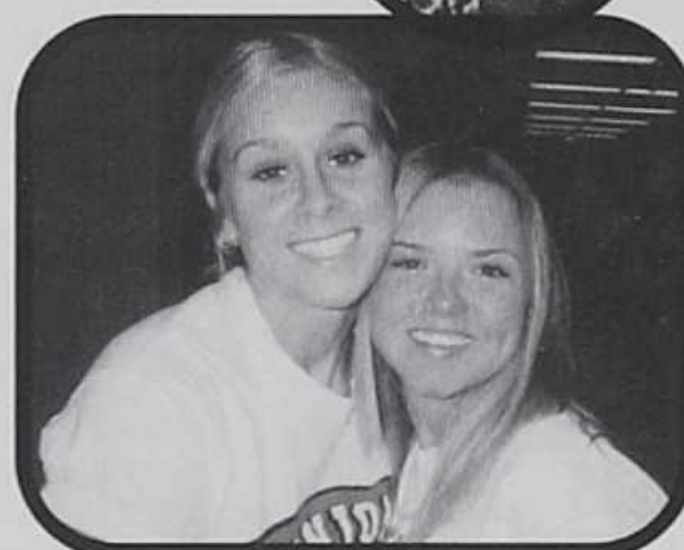

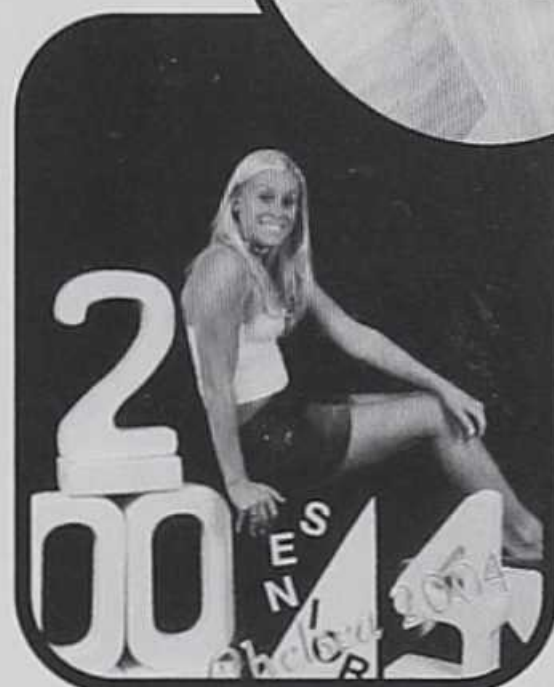

years, and we hope to have

many more. Senior class of

We Love You,

Mom & Dad

Chelly,

Yea! We made it, seniors 2004. It seems like only yesterday we were registering for the seventh grade together, now we're graduating! We have been through a lot together, and have been almost like sisters over the years; God knows we fight like we are. I know that we will stay friends forever!

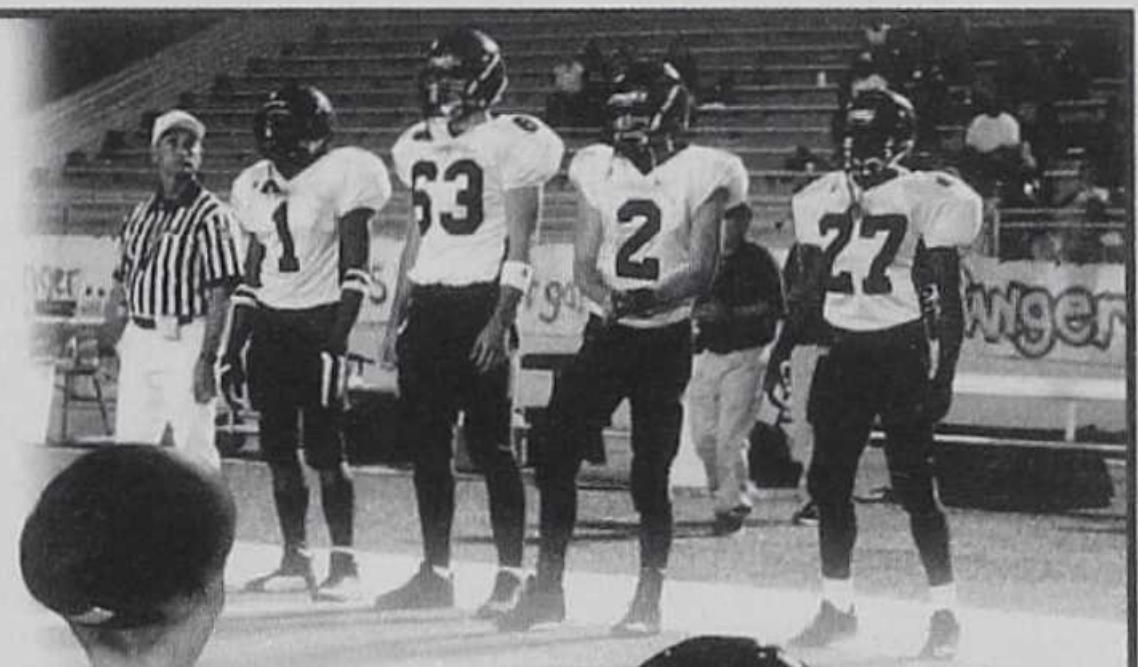

Love ya babe,
Tiffany

*You're getting so old!
Love,

My Darling Jona,
It's difficult to put into words the pride and joy that you have brought me over the past eighteen years. It seems like only yesterday that my beautiful baby girl came into my life. And now even though you're so grown up, you will always be my baby girl. I am so

very proud and excited that you will be attending the University of Texas, but I'm sure going to miss you, Sweetheart.

Love, Daddy

Jona - You're such a beautiful person and all your achievements show that.
-Aubrey

Sus,
In the past 18 years, I saw you come into the world, then change from a precious little girl to a beautiful young woman. It all happened so fast: our life in Florida (remember Emer?), the chickens, the mermaid in the sea, Dance Vivant, and the mountain trips. We've also had some hard times, but God has used them to strengthen your character. Put Jesus first, and get ready for an exciting ride in life!

I love you always,
Daddy

Tiffany - Well, the day you have been waiting for is finally here. This is just one of the many accomplishments I know you will achieve in your life. You are so much more than a niece to me, you are a daughter and a friend all rolled into one. Uncle David and I love you so very much and we wish you all the happiness this lifetime will bring.
Love always,
Mimi

TiffyGirl,

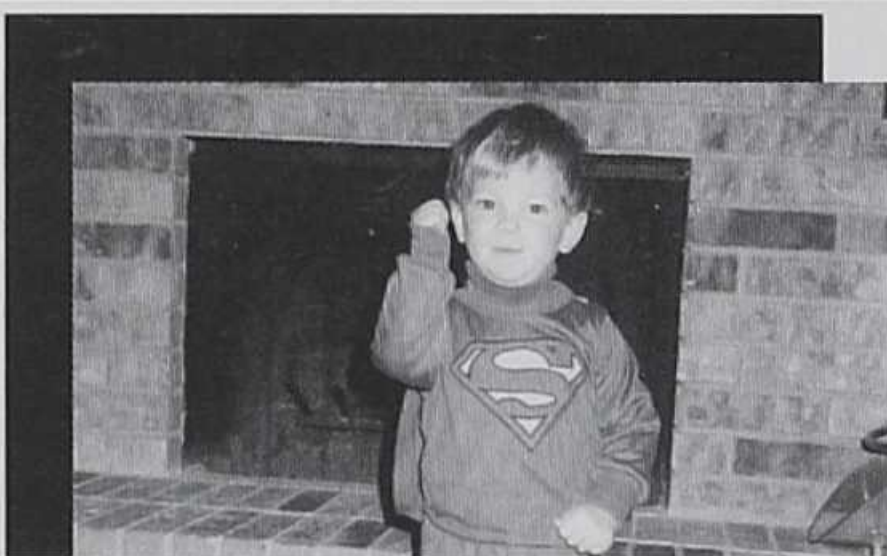

It seems only yesterday you were a little girl running around in pigtails. Now it is 2004 and you are a pretty young lady, graduating. We are all very proud of you and we know that you will succeed in life.

We love you,
Mema, Mom, Nanny, Jay, and Sammi

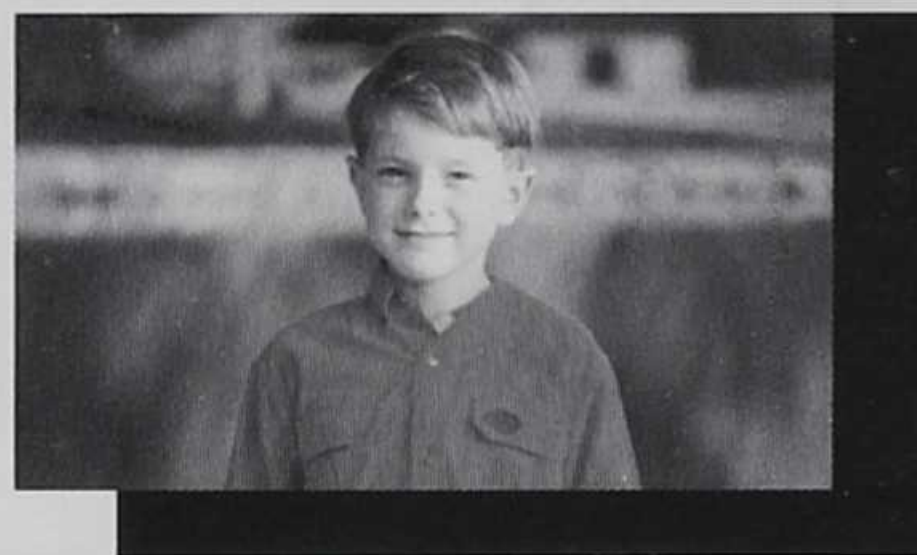

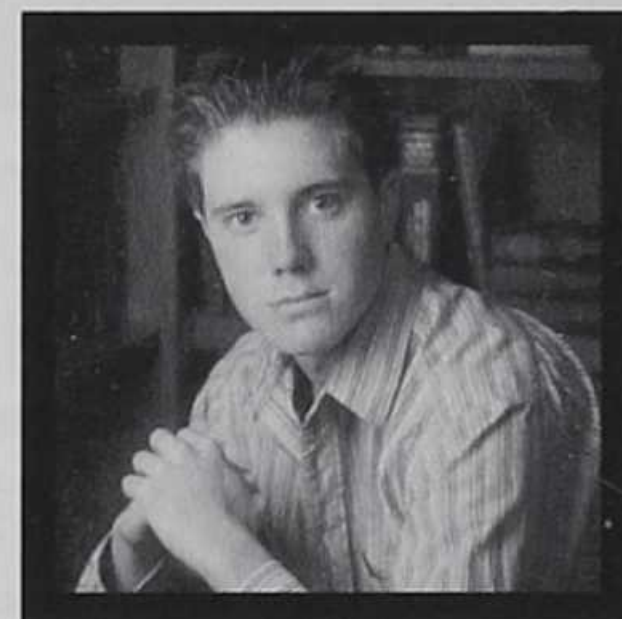

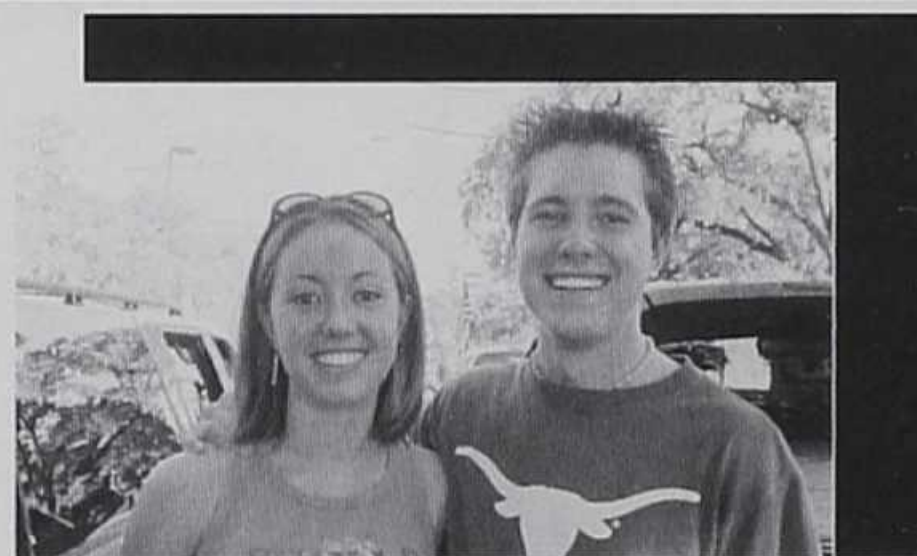

Tiffany
aka Shorty,

We have been friends since the sixth grade, playing basketball and always beating the boys, which we still do. We have been through a lot of rough times and a lot of good times and I don't regret one bit of it, I think they just made our friendship stronger.

Well love ya girl, 2004, we made it!
Chelsea

Brent,
Possessing

and a winning

you will go far on the path

there for you.
We love you,

Jen - Congratulations!

Memories of growing years, treasured moments, joy, laughter, tears - all gifts from you. Toddling towards tomorrow, learning so quickly, so independent and shy. Pony-tails, cars, styles, opinions, attitudes, trauma through the triumphs.

Biking, camping, shopping, London - tube rides, so many memories to share. You're the center of our lives and we thank God for you. We're so proud and we love you very much.

Mom, Dad, Whiskers & Shorty!

Special Thanks

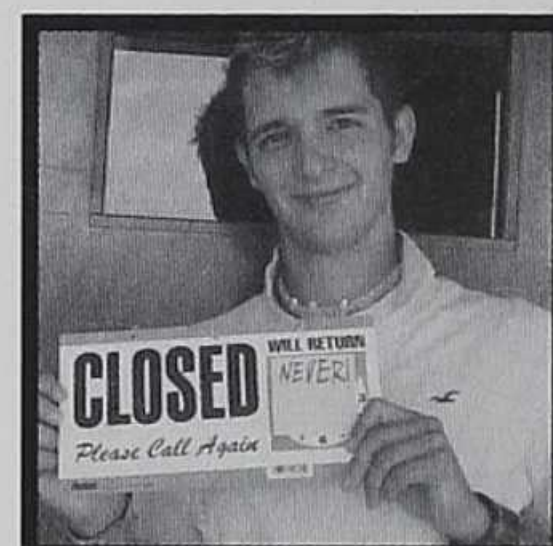

The 2004 *Wildcat Track* yearbook staff would like to thank our Taylor representative, Tammy Hollier, for being very patient and flexible with us. Thank you to all the businesses who purchased ads from us. Thank you to all the staff at Kennedale High School for being so kind and patient with us while we disturbed your classes to take pictures. We would like to thank Glamourcraft Studios for being absolutely wonderful and an honor to do business with.

Also, a big thank you to our yearbook adviser, Mrs. Coffman, for a special year in our lives we will never forget. Thanks to our fellow staff members for making this an awesome year!
